

SUPERVISORS PREPARE TO BUILD TUBE

First Step Is Request For
Extension of One Year For
Removal of Webster Street
Bridge; Plans to Proceed

County Engineer Instructed
to Prepare Specifications
With View of Completing
Work Within Two Years

Immediate steps toward actual
construction of the tube under the
embankment at Harrison street, now that
the bond issue has been successful,
were taken by the Board of Super-
visors with the goal set of having
the structure open to traffic in
two years.

The first step taken was a de-
cision to make the official canvass
of the votes next Monday, then to
transmit a certified copy of the can-
vass to Col. Herbert Deakins, re-
presenting the United States army engineer
for an extension of one year from July
1 for removal of the bridge now at
Webster street. This extension was
promised by the War Department in
case definite steps were taken to
replace the structure.

ENGINEER POSEY
TO PREPARE PLANS.

At the same time the board di-
rected George Posey, county en-
gineer, to go ahead with the full
plans and specifications for all de-
tails of the tube. This entailed a
cost of \$25,000 to \$50,000, Posey
said. The board then decided that
enough of the tube bonds would be
sold immediately to cover that ex-
penditure.

It was estimated by Posey that
it would take four to six months
to work out all the intricate plans
and specifications for the tube, but
that the work would be far enough
advanced before that to allow the
county awarding minor contracts
for preliminary work.

The board members held a gen-
eral discussion of the project, and
of the question as to whether pro-
vision should be made in the tube
for street car tracks. Ralph Hoyt,
representing District Attorney Ezra
DeGoutte, said that overtures had
been made to the traction company
regarding the matter, but not much
headway made due to the present
reorganization of the key system.

TRACK PROPOSITION UP
TO TRACTION COMPANY.

Hoyt declared, however, that the
county was not obligated to make
provision for the tracks, and it de-
cided upon the traction com-
pany to decide that part of the
cost if the tube was used by street
cars.

Negotiations will also be opened
with the city officials of Oakland
regarding the proposed alignment
on Harrison street, requiring the
approach on the Oakland side to
start at Sixth street. No trouble
on this score is anticipated. In
connection with this is the plan
to purchase the 75-foot lots on
both sides to allow a sufficient
roadway each side of the ap-
proach. The plan was approved
this morning for public use,
and then reach the balance of the
lots at some future period.

Administration Of Crime Laws Called Disgrace

NEW YORK, May 10.—(By The

disgrace to civilization, former
Governor Herbert S. Hadley of
Missouri, now professor of law in

Academy of Political Science.
"No one could well contend that

"The existing condition is a

Albert Schlogetter, one of the chiefs
of the so-called "murder gang,"
which has been carrying on a cam-
paign of terror against French oc-

victed last night by a court-mar-
shal and sentenced to death. He
was charged with espionage and
sabotage.

One of Schlogetter's aides, Hans
Schadowitz, was sentenced to im-
prisonment for life at hard labor.
Five other Germans of the "mur-
der gang" were given jail sen-
tences varying from five to twenty
years.

Schlogetter, who is a former
Prussian officer, admitted having
committed sabotage. He con-
fessed, however, he had never dam-
aged passenger trains, but merely
had blown up railroad tracks and
bridges. One of the defendants,
Kuhlman, formerly worked for the
Krupps at Essen, and the prosecu-
tion contended that the men of
the gang on trial had been paid for
their work by a Krupp official, who
died before he could be arrested.

It was charged that one of the
objects of the gang was to kill
Germans who worked for the
French.

The prosecution also claimed
that the men received orders regu-
larly from a spy organization.

BOOZE RULE CAUSES ROW IN CAPITAL

Mellon and Haynes Differ
Over Effect of Knox De-
cision Removing Limit On
Prescriptions By Doctors

Former Says Lid Completely
Off, While Latter Declares
Opinion Applies Only to
One Physician in N. Y.

By LAWRENCE MARTIN,
United Press Staff Correspondent.
WASHINGTON, May 10.—A dis-
agreement over prohibition en-
forcement which the supreme court
and Congress will be called on to
settle, has occurred between Sec-
retary of the Treasury Mellon and
Prohibition Commissioner Haynes.
Mellon regards as illogical and im-
proper the provision of law limit-
ing the amount of liquor doctors
may prescribe for their patients.
He believes Congress either did not
intend arbitrarily to put a drastic
limitation on doctors or if it had
that intention, it was wrong.

LIMIT REMOVED
MELLON DECLARES.

Mellon means that it is the law and has
to be enforced, no matter whether
it is illogical or not.
The disagreement was brought
to light by the action of Judge
Knox in New York yesterday, in
granting an injunction to prevent
prohibition authorities interfering
with a doctor in prescribing liquor.
That decision, by taking off the
limit entirely from doctors, left
dumbfounded, in Mellon's opinion,
the provision of the law which
prescribes all the liquor they think
necessary, as often as they think
necessary.

Haynes takes an entirely opposite
view. He warned doctors today
that no one but the individual doc-
tor in New York who sued was
freed by the Knox injunction from
the law's limitation.

At once a race began between
Haynes and Mellon to uphold their
distinct and clashing views.
Haynes and his legal staff will
carry an appeal to the Supreme
court and ask speedily decision on
the point, which may prove vital to
successful prohibition enforcement.

NEW REGULATIONS
ARE BEING FRAMED.

Mellon began preparation of new
regulations, stating in effect to doc-
tors that their conscience should in
the future guide them in prescrib-
ing liquor.

Mellon's position is that a doctor
knows better than Congress how
much liquor he ought to order a
patient to take. All Haynes has to
do with it, in Mellon's opinion, is to
see that forgery of prescriptions or
"bootlegging" by unscrupulous
medicos is not permitted.

Haynes wants to know how he is
expected to enforce prohibition if
the courts keep poking holes in the
law, like the recent American ship
ruling and the Knox injunction.

Mellon replies that the Knox
ruling does not punch any hole in
the law, pointing out that the lim-
itation on liquor prescriptions was
passed by Congress as an after-
thought. It is an interference
with and a reflection on the high
profession, anyway, Mellon de-
clares.

CONGRESS WILL
HAVE TO DECIDE.

The whole row will be taken up
next winter when Congress begins
a raking over of the prohibition
enforcement. The stay of execu-
tion will be sought pending ap-
peal to the supreme court.

High treasury officials disagreed
with the prohibition bureau, which
held that the Knox injunction was
effective only in New York.
The treasury officials hold that
the prohibition is applicable to the na-
tion.

SHANGHAI, May 10.—(By
the Associated Press.)—All the
foreign captives held by the Shan-
chow bandits are well, "having
a wonderful time," and expect
to be released soon, according
to written messages received
from four of them by relief
workers near Linching, which
were relayed here today.

The relief workers stated that
they were encamped two hours'
march from the brigands' lair. In
the party seeking to obtain the
release of the captives are Lloyd
Lehrbas, who was captured by the
bandits near Shachow, but who
escaped in a few hours and
brought to the outside the first
story of the affair, and Carl
Crow, representing the American
Chamber of Commerce of Shang-
hai and the American Red Cross.
Both these organizations are
sending supplies into the hills
back of Linching for the cap-
tives.

WASHINGTON, May 10.—(By
International News Service.)—The
Chinese government will deal
swiftly and not fight with the
Shantung train bandits who kid-
naped American and other foreign
travelers, the American govern-
ment was assured today by the ac-
ting minister of foreign affairs at
Peking. This decision was taken
to prevent injury to the captives.
The Peking authorities will at
once take steps to provide the ran-
some money demanded by the bri-
gands and leave until a later date
punitive action against the out-
laws.

Negotiations already have been
opened between the envoys of
Peking and the representatives of
the brigands to secure the release
of the prisoners, according to
word conveyed to the American leg-
ation at Peking by the acting
minister of foreign affairs. He
stated he could not be sure, but
he "thought" actual negotiations
were in progress.

FOOD AND CLOTHING
SENT TO PRISONERS.

WASHINGTON, May 10.—(By
the Associated Press.)—The state
department today was advised by
the American legation in Peking
that the Chinese ministry of com-
munications has sent supplies of
food and clothing to the prisoners
of the Shantung brigands and the
government's agents are attempting
to distribute them by using natives
in the districts where the bandits
have been located.

Further information has been
received, the department's state-
ment said, "that a presidential
mandate, which appeared on May
9, ordered an investigation of this
affair with a view to punishing the
civil and military governors of
Shantung and also suspending all
civil and military officials at the
scene of the outrage pending a
thorough investigation."

Word that the Chinese troops
would start firing upon the bandits
was received with a degree of stu-
pification by officials here who re-
alized that encounters between the
military and bandit forces were
likely to result in injury to the
prisoners.

Previous reports have indicated
that the bandits did not hesitate to
shield themselves by placing the
prisoners in the face of direct fire.

THE SHANTUNG BRIGANDS
RECEIVED FROM AMERICANS

PEKING, May 10.—(By In-
ternational News Service.)—An ac-
cused bandit arrived at Linching last
night with a letter signed by J. B.
Powell, one of the American cap-
tives of the Shantung brigands,
urging the Chinese authorities to
withdraw the pursuing troops.
"This is the only condition on
which the brigands will release
their prisoners," wrote Powell. "I
hope foreigners with influence will
urge the Chinese to call off the
soldiers. The bandits are threat-
ening dire reprisals, even mutila-
tion."

It was reported (but without of-
ficial confirmation) that the
United States consul at Tientsin
has received an ultimatum from
the bandits that unless their com-
rades who had been besieged by
Chinese troops for a month were
liberated the captives would be
shot to death.

The "ultimatum" expired at 8
o'clock last night.
In view of the reiterated threats
anxiety over the safety of the
prisoners is growing steadily. A
message from Secretary of State
Hughes, warning the Chinese gov-
ernment and representations of a
similar nature from Senor de Fere-
ira of Portugal, dean of the diplo-
matic corps, resulted in dismissal
of the local Chinese officials at
Linching. Orders were given to
punish the tuchun (war lord) and
other officials.

GERMAN PROTESTS COURT MARTIAL

BERLIN, May 10.—(By Associated Press)—The German government has sent a note to the powers having no part in the Ruhr occupation protesting against the Werder Court martial, which resulted in the conviction of Dr. Krupp von Bohlen and other Krupp officials.

The note accuses the French of making the blowing of the sirens the basis of "a senseless charge that a secret plot was being engineered against the French troops with the object of shifting responsibility for the murder of fourteen workers to the Germans."

As a protest against the sentences of the Werder court martial the Essen local trade unions committee has appealed for a complete cessation of work tomorrow, requesting that shops and restaurants close and that all street traffic be suspended.

Well Treated, Miss Aldrich Says Given Burro to Ride When Weary Bandits Caper in Women's Finery

By ERIC VON B. SALZMANN,
(International News Service Staff Correspondent)

PEKING, May 10.—Miss Lucy Aldrich, sister-in-law of John D. Rockefeller, Jr., who was kidnapped by the Shanghai train bandits and later released, arrived here today with an exciting story of carrying heroin jewelry in her hands while driven with the other prisoners toward the mountains.

Contrary to the stories of other prisoners, Miss Aldrich said that the bandits treated their captives kindly. Miss Aldrich was ill from the exposure. She was accompanied by a physician on her trip from Shanghai to this city. "I was not scared by the bandits," she said. "I hid things to hide some money and valuables, before we were marched off. There was no harsh treatment so far as I know. They marched us all night toward the mountains and all that time I hid in my hands my mother's rings and other heirlooms of jewelry that I had saved."

The following day Miss Aldrich removed one of her slippers and secreted the jewelry in it. This caused her foot to swell. Finally she was able to remove it by the wayside at a place she believed she would find help.

During the halt at camp, the bandits started going over their loot, showing it to Miss Aldrich. It included a woman's hat, a hot water bottle, a tube of tooth paste and numerous other toilet articles. Miss Aldrich laughed heartily especially when one of the bandits put on the woman's hat and started to caper around it.

Not to be outdone, others of the bandits donned stolen finery. One of the bandits leveled a pistol at Miss Aldrich but she was not frightened. She shook her head and continued to laugh. One of the men pulled her on the neck and muttered something. A Chinese who could speak English said he was calling Miss Aldrich a brave girl. Her courage that they gave her a

W. WAY CALLS

Way down deep in his heart
of playing a thousand
performances or more in a
role who has given more than a
thousand performances of any sin-
gle character have to say about it?
Is it worth while?

Four actors appearing in Dilling-
ton's production of "If Winter
Come" at the Gaiety theater in
New York have played the same
role for more than 1000 perform-
ances. Aldrich is a student of re-
solving in one part for that length
of time. They are Cyril Maude,
known here in the West, Edwin
Lever Herbert Ranson and F.
Gibson Bell.

Maude scored his longest run in
"Gaiety," which he played more
than 1000 times. "Of course an
actor who achieves a role of which
the public never seems to tire comes
to love that role more than any-
thing he has played," said Maude.
"Things are different when one
plays the same part. But I must con-
fess that 1000 performances of
"Gaiety" kept me from going sev-
eral things I would have liked to
do. One cannot devote three sea-
sons or more to a single role and
expect to leave the stage with a
well-rounded experience."

TWENTY SEASONS AGO TODAY

F. H. Southern starred his
and toured of thirty
American cities. He is expected
in the West.

Gayer played more than 2000
performances with William Hodges
in "The Man From Home." "I was
five seasons compiling my 2000-per-
formance record," said Gayer. "And
while I was playing it great changes
were going on. It took me a year
or two to catch up with the pro-
gram. Changes in acting are always
going on although unnoticed by the
public."

Ranson played 1200 perform-
ances in England with a touring
company in "What Happens When
You Get Married." "That engagement
unhappily, set my career back a
year or two. If I had not remained
in one part for four seasons I prob-
ably would have achieved the Lon-
don stage a year or two sooner."
As for the stage manager with
Maude in "Gaiety" for 792 per-
formances who also played in "Are
You a Mason?" a thousand times
said: "When an actor plays the
same role so long that his friends
begin to call him by his stage name
instead of his own name, he should
look for another part."

100 chorus girls
will take part, and
in order to pro-
tect the one-night
shows, even a girl will be paid
a bonus during the entire tour. The
bonus will aggregate about \$300 to
the girl.

The smaller stage has not
comedies with Broadway casts
mean that they demand New
York chorus girls, and Savage
is a difficult task getting them to
make long tours so as an induc-
ment I am offering the bonus. The
main thing is to keep the company
in fact for the thirty-five or forty
weeks of the tour.

"Next season will be the most
successful for road companies in
history, judging from the number
of letters I have had from out of
town managers asking for musical
plays. If I send out two companies
of "The Changing Veil" and put
it in every community that
wants the attraction."

FORTY SEASONS AGO TODAY

John McCullough is playing

gy Wood or a successor, "Milk-

last season here, and four new

TRIBUNE BUREAU, Sacramento,
May 10.—A special appropriation
bill, allocating \$157,000 for
the purchase of additional lands
for Mount Diablo Park, was intro-
duced in the Senate by Senator
Will B. Sharkey of Martinez,
and passed immediately. Senator
Sharkey believed that Governor

Friend W. Richardson is personally
in favor of this appropriation and
that he will sign the bill.

bill totaling about \$12,000,000, in-
cluding several University of Cal-
ifornia special appropriations, as
follows: \$300,000 for agricultural
laboratory, Berkeley; \$30,000 for
supplies, maintenance and equip-
ment, \$200,000 to cover a deficit of
the southern branch of the uni-
versity, \$150,000 to purchase addi-
tional ground for the southern
branch, and \$125,000 for an agri-
cultural engineering building at the
Davis farm of the university.

Autoists Urge Use Of Roads for Stock

Keeping pace with progress

The rasp of concrete mixers, the clatter of steel riveters, the
thud of carpenters' hammers—these are the symbolic sounds of
a great metropolis in the building.

Everywhere you go in the Eastbay cities you hear them—
building, building, building.

They mean thousands on thousands of new people for this
wonderful community and more money, greater advantages and
more brilliant opportunity for every one old resident and new-
comer alike.

This bank, with branches in centers of population through-
out the Eastbay, is in a position to realize the full extent of this
activity, to understand its possibilities and to appreciate its re-
quirements as well as the advantages it brings.

The American Bank is proud of its contribution to this
activity, and of keeping pace with it. The
American Bank must contribute more and more in personal
banking service as well as financial aid and counsel to assist in
the building of homes, the establishment of businesses and the
creation of industries.

To better fulfill its obligations to the Eastbay cities and
Eastbay people this institution has made a two-thirds increase in
its capital stock, which has been raised from \$600,000 to
\$1,000,000.

BERKELEY JUNIOR HIGH PUPILS TO RACE TOMORROW

More Than 500 Expected to
Compete At 3d Annual
Field Meet.

BERKELEY, May 10.—More than 500 boys and girls of Berkeley's four junior high schools will join tomorrow in the third annual athletic meet to be held at California field, on the university campus, under the direction of the department of physical education of the Berkeley schools.

The meet is announced for 1:30 o'clock and will be open to the public. The event was inaugurated three years ago by Miss Violet Richardson, supervisor of physical education in the elementary schools, and is the only one held in the state in which boys and girls compete against each other for honors.

George Hjelte, director of physical education in Berkeley, will preside as referee and Managing Director Charles Keeler of the Berkeley Chamber of Commerce will be the announcer, assisted by Clarence S. Cramer. Other general officials of the day are: Stagers, Henry Carty, Minnie Mayne, Essie Mayne and Laura S. Price; messengers, Valborg Hansen, Elizabeth Morse, Sylvia Price, Esther Stitt and Hazel George; posture judges, Ruth Elliott, Elizabeth Kelly, Sarah Davis and Elizabeth Beall.

Standing Broad Jump—85, 95 and 105 pound classes, Robert Mulvany, Sella Welden and Marguerite Shoecraft; 115 and unlimited classes, Rudolph Lindquist and Mrs. George Reilly.

WILL ASSIST DIRECTOR
Miss Richardson, as general director of the day will be assisted by Miss Jennie Gard and Grover C. Carlson, of the Burbank school; Mary McCall and Martin Debenham, of the Edison; Harriet Stout and George Kilbourne, of Garfield; and Alice Hoskins, Aura Johnson and Stanley Richardson, of Willard. Posters advertising the meet and marking locations on the oval have been made by the High School Art department under the direction of Miss Mabel Fairchild. The Edison School band, led by Earl Morton, will furnish music for the post-meet parade.

Chief of Police August Vollmer has arranged for Officer Frank Waterbury to handle the policing of the field and bleachers. Waterbury will be assisted by forty junior high school boys, to whom he will give instructions tomorrow.

Women Differ Over Clark's Life Policy

The superior court of Judge Dudley Kinsell holds for adjudication the sum of \$5460, representing the paid-up value of an insurance policy on the life of William Carter Clark, leading Oakland attorney, who died September 20, 1922.

The Mutual Life Insurance Company deposited the money with the court because of rival claims for the amount between Miss Jennie E. Clark, 163 Montecito avenue, a sister, as executrix of her brother's estate, appraised at \$120,151, and Miss Eva Powell, 2703 Dwight way, Berkeley, leading Y. W. C. A. and social worker and sister of Dr. Alvin Powell, head of the Alameda County Health Center.

The records of the insurance company show that the insurance policy was assigned to Miss Powell on December 10, 1917. The executrix claims there was no due consideration given and that the assignment was once relinquished.

POLE REMOVAL TO STREETS FOUGHT

SAN LEANDRO, May 10.—Petitions are being circulated today in the Broadmoor section by L. S. Pratt, property owner there, against the request of the Pacific Gas & Electric and Pacific Telephone and Telegraph Companies to remove poles from the main highways.

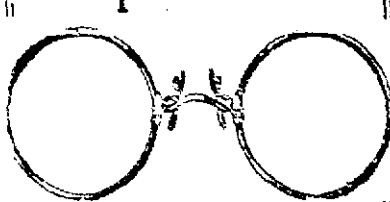

It was agreed when the Broadmoor plant was opened that these companies should have a joint right-of-way of twelve feet at the rear of the blocks, according to Pratt. In some cases this throws the pole in alleyways in on the rear ends of lots. Property owners are not objecting to the poles remaining on the lots, according to Pratt, but are willing that the company should have them there to avoid the necessity of forcing them upon the main highways with what property owners claim are unsightly poles.

Both companies have a joint petition pending before the city trustees asking the right to desert their

twelve-foot right-of-way in the rear of the Broadmoor properties and acquire a similar right-of-way on the main streets. Pratt reported late today that he had been

signature of those seen, but had not been able to see more than 10 percent of the property holders thus far.

Jury Finds Of Individuals
and Firms Did Not Evade
the Law.

SAN FRANCISCO, May 10.—The
twenty-four San Francisco building
supply men and building supply
firms, charged with violations of
the Cartwright anti-trust law by re-
fusing to sell materials to contrac-
tors who did not operate on the
so-called American plan, were ac-
quitted by a jury in Judge Ward's
court yesterday. The jury deliber-
ated an hour and three-quarters.

Miss Lizzie W. Nelson, 1190 E. The
avenue, acted as foreman of the
jury, which was made up of six
women and six men. Five ballots
were taken, on four of which the
jury stood 11 to 1 for acquittal.
The following were the defend-
ants in the building cases:
William H. George, D. B. Far-
quharson, George T. Bowen, D. J.
Sullivan, H. J. H. Forbes, Alex Men-
nie, C. G. Berg, Thomas J. Camp-

EXCHANGE STATEMENT.

The following statement was is-
sued by the Builders' Exchange:
"This verdict makes it plain that
it is a good law for the workers
to refuse to work and to refuse to
let others work that it is a good
law for the employer and merchant
to refuse to sell his goods until the
worker recedes from his position."

"Here in San Francisco the effect
of this verdict will be noted at
once. Owners will feel free to
build and contractors will be en-
abled to carry on their work effec-
tively at the lowest possible cost and
on the American plan open shop
principle."

Alexander O'Grady, who acted as
special prosecutor in the case, ad-
dressed comment on the verdict.
He said, however, he would im-
mediately prepare an application for
an injunction, directed against the
maintenance of such agreements as
the prosecution charged were main-
tained by the building supply men.
"I am convinced there was a con-
spiracy within the meaning of the
law, and shall seek to prevent fur-
ther activities of the kind," said
O'Grady.

Attorney Bert Schlesinger, coun-
sel for the defendants, declared that
the acquittal of the men and firms
would mean increased prosperity
for San Francisco.

"This was a representative jury
of an equal number of men and
women," he said. "The verdict
should bring on a building boom
and provide work for the unem-
ployed on the new buildings that I
now expect to see started now that
conditions are bettered."

By Prof. J. Walker

I like to think of the end of the
trail.
Not a place of drooping and
death,
Not a place where the trail
turns round,
A place where one pauses for
breath.

The end of the trail, the end of
the day.
The time when life, itself, is
done.

Spell nothing to me that is pain
and gray.
But only a pause when the hour
is come.

Before journeying on again, with

How to figure the cost
of burning a 50 watt
electric globe
for 1 hour

A 50 Watt Globe is so named because it
uses 50 Watt hours of Electricity in one
hour. As it takes 1,000 Watt Hours to equal
one Kilowatt Hour (k.w.h.)—the unit of Elec-
trical measurement—it follows that a 50 Watt
Globe must burn 20 hours to consume one
Kilowatt Hour (k.w.h.) of Electricity.

Ask to see the Rate Schedule for your community on file at
the P.G. and E. office and divide the rate per Kilowatt Hour
(k.w.h.) by 20. This will give you the cost (less than 1/2 cent)
of burning a 50 Watt Globe for one hour.

SCHOOL BOND INQUIRY ENDED BY BOARD'S HEAD

Hatch Declares Investigation
Over For the Good
of the City.

Now that President George Hatch of the Board of Education has thrown out the whole school bond campaign, the anti-Hunter forces admit they are considering how to bring up at next Monday's meeting of the board, the matter of eight students alleged to have been taken out of Technical High school for the purpose of distributing campaign literature.

Meantime, John J. Allen, Jr., a successful candidate, is preparing to become a member of the Board of Education Monday. The usual term begins in July; but Allen was elected to take the unexpired term of the late Harry Boyle.

With the arrival of Allen, it is admitted that the anti-Hunter forces will soon constitute only two members of the board of education, Campbell and Ormsby. The third member, Commissioner Harry Edwards, leaves July 1, when Moorehead succeeds him.

Edwards, Ormsby and Campbell agreed last night that President George Hatch's summary adjournment of the Hunter hearings was "a gag rule." Hatch agrees it was unparliamentary, but asserts that "the case had reached a point where the people of Oakland were sick of it."

Hatch's summary adjournment of the board at 3 p. m. yesterday, after five days of rambling testimony concerning the financing of the 1919 school bond campaign, brought a loud cheer from the large audience.

The session began with a summary of the whole case by Harrison Robinson, attorney for Hunter. Robinson asserted that Hunter had not used the Liberty Bonds of various schools to raise money to meet the 1919 campaign deficit, and said that the whole matter was a "gag" to involve the faith of the school administration.

He said the "personality of Superintendent Hunter was made the focal point for attack," and called the Campbell-Ormsby clique an organization "watching and waiting to find something to hand on Fred Hunter." He asserted that the charges were allowed to "lay dead until seven days before election," and said there was another side to this case which the plaintiffs have overlooked, this being the side of the principals and teachers of Oakland.

Superintendent Hunter was given a standing ovation by the big crowd. Attorney Herman Walker, for the Campbell-Ormsby forces, summarized for his side. He said that "Hunter has injected himself into this thing to make it a political issue," and asserted that "there has been no attack upon Hunter as a man."

Frequent yells and laughs interrupted Walker's talk. Attorney Robinson, for Hunter, asserted that there had been an audit of the Liberty bond accounts of the various schools, asserting that the "account has been audited several times, but we might as well give the other side what it wants."

Walker then resumed his summary. Robinson made a short reply. "We just listened to a promise of continued attacks on the school administration," he said. "This puts up a very specific issue to the city of Oakland."

Walker then arose to introduce resolution by Director Georgia Ormsby.

The resolution, which reviewed the case briefly, asserted that "no audit of the bond account has been filed with this board" and resolved that the teachers be commended for guarding their hands that greater care of property be taken in the future, that all Liberty bonds be returned to the school, and that if the individual responsible for presenting the bond-selling plan be found, the case can be reopened.

President George Hatch then arose. "I thank both sides for their presentations of the case," he said. "A resolution is not needed. The matter is finished. It is had published."

He then declared this meeting adjourned sine die.

"I protest this is out of order," said Edwards. "We should first hear the resolution and then declare it out of order. There has been no violation."

"This is a special meeting for a special purpose," said Hatch. "I feel it right and proper to adjourn it."

"There has been no motion to adjourn," said Mrs. Ormsby. "I will assume responsibility for the good of the city," said Hatch. The throng cheered and the meeting broke up.

Tea at Palace In Honor of Brides-Elect

Many of the younger girls and matrons will cross the bay tomorrow afternoon for the tea which Mrs. William R. Davis, Jr. will give at the Palace in honor of Miss Ada Grey and Miss Grace Ziegenfuss, both brides-elect. Mrs. Davis will be remembered as Miss Maurine Bell of Berkeley. Mr. and Mrs. Davis have taken an apartment in California street.

Another hostess of tomorrow evening will be Miss Marjorie Smith, daughter of Mr. and Mrs. James Hodge Smith, who will entertain Miss Sally Robbins and her fiancé, Carlton Osgood, with a company of their intimate friends.

LUNCHEON IN ALAMEDA. In Alameda Mrs. A. J. Merle was hostess this afternoon to more than a score of guests at luncheon at her home in Sherman street. Mrs. Merle and her young daughter Olive are to leave for Kentucky to be guests in Louisville for two months this summer.

The Hotel Oakland was the setting for the tea at which Mrs. Arthur Tashler and her mother, Mrs. W. W. Garthwaite, presided as hostesses to many scores of guests, honoring Mrs. Gustav Reis at the first large affair given in her honor since her return from China.

Mrs. Fritz Henshaw will be a dinner hostess tomorrow evening for the returned traveler.

Mrs. Kianman E. Putnam gave a luncheon for seventy-five guests at Sequoyah club this afternoon. Mrs. Putnam and her husband are on the latter part of the day.

WEDDING TAKES PLACE MAY 4. Announcement is made of the marriage of Miss Miriam Elizabeth Graves to Warren Gaddy Wood, which took place on May 4 at the home of the bride's parents, Mr. and Mrs. D. E. Graves, of Alameda.

The home was tastefully decorated with ferns, palms and baskets of Orphelia roses, and the ceremony performed by the Rev. D. O. Colegrove of the First Methodist Church of Alameda.

Mrs. James Levinson, sister of Mrs. Graves, and Kenneth White, were the attendants. Only immediate members of the family were present.

The bride is the eldest daughter of Mr. and Mrs. D. E. Graves of Alameda, and a graduate of the Alameda High school. Wood is a son of Mrs. Uriel Pettigrew Wood and the late Dr. James Burris Wood, old residents of Oakland, and a graduate of Oakland Technical High school. He is connected with the Den Low Motor Company of San Francisco.

The young people left shortly after the ceremony for a motor trip to Summer Home park on the Russian river, where they will spend a week of their honeymoon. On their return they will reside in Oakland.

June 6 is the date set for the marriage of Miss Ada Grey, daughter of the Harry P. Grays of Piedmont and Sydney Fraser. The future bride is a 1921 Beta Phi sorority girl. Mr. and Mrs. E. A. Fraser of Berkeley, parents of the bride-elect, have returned from

Leslie M. Shaw Declares
Education Must Prepare
For Service.

Our love of education amounts to nothing, unless the purpose of education is to teach us to be useful and to bear burdens, in the opinion of Leslie M. Shaw, former Secretary of the Treasury, who was the principal speaker at yesterday's luncheon-meeting of the Oakland Lions Club at the Hotel Oakland. Past President's Day was observed at this meeting.

"Pleasure and happiness are not synonymous terms," the speaker declared. "Happiness comes from usefulness and service. Are our children being reared to be useful, or are we teaching them everything except how to be useful?"

"If you start out in life on the theory of getting more out of life than you put in, you are starting out on a bandit theory. When service becomes your motto, happiness is your reward. Are you making life easy for your children, or are you fitting them for life?"

"Real McCoy"
Is Exhibit A
In Booze Case

THE first genuine, you-remember-when-whisky has been introduced as evidence in the court of Police Judge William Hammock since the Wright case went into operation was produced today when Mrs. Maud Becker appeared to defend a charge of violation of the act.

An analysis of the liquor, according to court records, proved it to be the "real McCoy." All other evidence that has been brought before the court has been moonshine, corn whiskey, and diluted specimens of the real thing.

Mrs. Becker was arrested the evening of January 24, and declared her innocence of violation of the law, after the vice squad had found half a bottle of whisky in her room at the Castro hotel, 630 Castro street. At the time of her arrest Manuel Gomez and Mahel Thurston are alleged to have told the police that they had purchased drinks of liquor from Mrs. Becker. Mrs. Becker asserted that she had offered them refreshments in friendly hospitality.

The trial will be held May 24, when Gomez and Miss Thurston will be required to testify.

PLANS TO ENTER
WATER DISTRICT

City Council Asked to Reconsider Proposal to the Voters.

Steps were taken in Richmond today to launch a second movement for the incorporation of that city in the water utility district which was adopted by the city council of Alameda county Tuesday at the general election.

The question of Richmond being annexed to the district was discussed yesterday at the meeting of the Richmond Industrial Commission. A resolution was adopted and addressed to the city council, asking that body to submit the question to the voters when an election is held on the new charter, being drafted by a board of freeholders.

Richmond and Piedmont will have an opportunity of association with the water utility district if the city council of Alameda county will reconsider its decision at the polls Tuesday, according to an opinion of Deputy District Attorney Ralph Hoyt.

"These cities still can come into the water district," said Hoyt. "To do this it will be necessary for the board of directors of the water district to arrange terms of agreement with the city council of the city seeking admission. The city must vote to enter the district before it may do so, and then, unless an objection is raised by residents of the district, the directors may incorporate the city into the district. If an objection is raised, a referendum vote may be taken in the district."

Edwin O. Edgerton, president of the Eastbay Water company, today said the company was not yet prepared to announce its attitude toward the district, or what effect the district may have upon the plans of the company. P. H. Thacher, general manager of the company, intimated that the company holds the same views it advanced before the election.

Secretary of the Navy today in a telegram to Congressman James H. McLaughlin declared that the Navy Department is delighted with the vote of the Alameda people on the naval base grant. Secretary Denby sent his thanks to the city of Alameda, and congratulations to Congressman McLaughlin.

Plans to Open Up
Bay View Under way

plans for the improvement of the western section of Alameda, entailing the opening of the Bay View tract, and the re-subdivision of streets south of Pacific avenue and west of Third street were approved by the Alameda City Planning Commission at a meeting held in the city hall last night.

A resolution to this effect was adopted by the commission and will be submitted to the council at its next meeting. The present tenants of the tract are given the consideration and be given until January 1, 1924, to vacate, according to William Varcoe, secretary.

The commission in its recommendation pointed out to the council that it is of the opinion that the proper procedure to open the streets should be under way not later than April 1, 1924.

WASHINGTON, May 10.—(United Press.)—The Washington Daily News publishes the following copyrighted cable despatch today:

By ROBERT P. SCRIPPS, (Copyright, Washington Daily News, 1923.)

PEKING, May 10.—It has been published in Peking that the American legation has been advised from Washington that the government will support in a military way the efforts to release the foreign prisoners held by the Shaku bandits. This has created a good impression among foreigners here, where it is felt that the United States is not inclined to take a strong stand in such matters.

The American minister was not in Peking Tuesday when the diplomatic council met to discuss the outrage. He is not in Peking now. Minister Schumann is en route to Shanghai, according to his wife, who is bound for America.

16 WORKERS LOSE LIVES WHEN OIL WELL EXPLODES

Spark Sets Fire to Gas and Oil, Causing Great Blast.

CORSICANA, Tex., May 10.—(By the Associated Press.)—Thirteen identified bodies, three skeletons smoldering in a lake of fire three hundred feet across, was the known toll of death from the explosion yesterday of the rusher of the J. K. Hughes Development company (McKie No. 1 well).

The fire, still burning fiercely today, was visible for fifty miles, reports here said. The smoke extended here from the scene of the disaster, eleven miles away.

The dead: W. A. Hicks, Wortham, Tex., head driller; S. P. Allen, Corsicana, field superintendent; M. O. Turner, Norris, Miss.; Ben Phillips, 35, Kerens, Tex.; James Phillips, 32, Kerens, Tex.; Max Melsner, 30, Kerens, Tex.; J. C. Cook, 30, Kerens, Tex.; Travis Owens, 30, Kerens, Tex.; Jack Cooper, Corsicana, Tex.; Fred Craig, Corsicana, Tex.; L. P. Sheek, Dallas; E. C. Cooper, Corsicana, Emmet Byrd, Corsicana; three unidentified skeletons.

Mrs. Byrd, wife of one of the victims, lost her brother, E. C. Cooper, also in the fire.

When the blast came, sixteen, it is known, of the fifty odd men in the two crews and a connecting gang were sucked in by the sheet of flame.

About 500 persons, watching the work of the drilling crews, gave accounts of the flareup.

Some of the workmen were hurled flat on the ground; others tried to creep away from the spread of the fire. J. K. Hughes, head of the development company, said:

"Some of the crew which was relieving the day crew at the well had just come from Mexico a few hours before. Other members of this and a roustabout crew working near the well, were reported missing in the general confusion and the personnel list makes it impossible to ascertain just how many are dead, missing and unaccounted for."

The groups venturing every now and then near the pool of yellowish liquid fire are not without a few women, drawn close with stricken faces, peering wide-eyed, only to retreat with covered faces and exclamations of horror.

First aid work here is hindered from the crowded traffic on the little more than cow trail serving as an automobile road for the rescue parties.

MEXIA, Tex., May 10 (By the Associated Press.)—R. B. Simmonds, a representative of the J. K. Hughes Development Company, whose gusher caught fire yesterday, was an experienced oil field worker to a crisis. Simmonds was on the derrick floor, but escaped by running.

He said the men were engaged in taking off the control head and putting on a gate valve.

"I was standing on the derrick floor, handing waste to the workers to wipe off their eyes the oil spewing from the valve," Simmonds said. "When the valve fell back I saw a tiny spark caused by friction of the metals striking, and sensing disaster I ran from the well just a moment before the

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain—How to Treat

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach. It is not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, and the result is indigestion and food souring, causing the disagreeable symptoms which every stomach sufferer knows so well. Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any drug store a few ounces of Blurred Magnesia and take a teaspoonful in a quarter glass of water, right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or milk—is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.—Advertisement

explosion, which sent showers of burning oil in every direction. It seemed as though I was being pursued by the great bars of flames, when a terrific gust of heat swept past me.

Simmonds said a small nephew of Hughes was standing by his side and escaped by running. A stranger near the derrick evidently did not see or heed the spark and was enveloped in the flames. His skeleton now floats in the pool of liquid fire.

The fire was plainly discernible at Mexia, 50 miles away.

SHRINERS' CHIEF IS WELCOMED BY EASTBAY NOBLES

Imperial Potentate McCandless Greeted by Brilliant Assemblage.

The spirit of "Aloha" expressed in true Hawaiian hospitality greeted James S. McCandless, Imperial Potentate of the Ancient Arabic Order, Nobles of the Mystic Shrine, of Aloha Temple, Honolulu, at the Hotel Oakland, last night, by the nobles and their ladies of the East Bay Temple. The beautiful ivory hall, room, set off by the gorgeous gowns of the ladies, and the scintillating emblems of the nobles' robes, made a picturesque and colorful as Hawaiian feast.

The reception and hall was preceded by a banquet "Sunny Jim" McCandless, as the Shrine head is affectionately called, was introduced by William J. McCracken, illustrious potentate of the Aloha Temple. The following nobles and ladies were also present: P. Kessling, Ira Coburn, Judge L. S. Church, Jack McElroy, George Palmer, E. Huetter, J. L. Pease and Robert Greig. Congressman J. H. MacLafferty and Mrs. MacLafferty were among the distinguished guests.

"MISS CALIFORNIA" DANCES.

During the banquet Miss Virginia Marvin, assisted by her eleven pupils, expressed the welcome to be accorded the Imperial potentate and Mrs. McCandless on their journey east to the Shrine Imperial Council. Dancers representing New York, the Carolinas and the Middle West gave demonstrations of characteristic American aesthetic dancing, the climax coming with the introduction of Miss Marvin as "California" borne into the ballroom on a gorgeous sedan carried by four nobles. Then followed a remarkable trapeze performance in which Miss Marvin, assisted by her ballet of six, attained the feat of an immense profligating.

One of the high points of the evening was the charming work of the Aloha Chanters, led by Robert Lloyd. Their rendition of the Shrine song, "I Love You California," was the musical climax of the evening.

Introduced by Illustrations Potentate William J. McCracken of Aloha Temple, Imperial Potentate McCandless responded briefly, expressing his great pleasure in visiting the bay region, telling of the establishment of the Shrine Temple and speaking of the ever-present need of sending worthy men as representatives to the illustrious council, the executive body of the Shriner. He gave the nobles timely advice for the good of the order, pointing out that no temple may hope to progress and reach its highest pinnacle of usefulness with dissension and misunderstanding.

High tribute was paid by the Imperial Potentate to the Shrine of the B. O. Johnson, Judge L. S. Church and William J. McCracken as men embodying the desirable qualifications as representatives to the illustrious council.

McCandless mentioned in connection with the \$250,000 children's hospital which is to be dedicated on the 26th of this month at San Francisco that a corps of nobles from the bay region and taken to Hawaii where their services were rendered gratuitously for the treatment of 800 crippled or sick children.

During the program Judge Church with appropriate words presented Mr. and Mrs. McCandless with a silver service as a token of love and esteem from the Aloha Temple.

L. C. Fraser was chairman of the committee in charge of the reception. Others who had a prominent part in the welcome to the Imperial potentate were John Hughes, W. H. Fischer and J. H. Menken.

Cocoanut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Many soaps and prepared shampoos that are sold in the drug store, while they may make the hair brittle, and is very harmful. Mulsin coconut oil shampoo (which is pure and entirely natural) is much better than anything else you can use for shampooing, as this cream washes the hair without the use of soap, and it is very gentle. It is made of a pure coconut oil, which is the most abundant of all, it is very gentle, and it is very effective. The hair does not become dry, and it is very soft and silky. It is very easy to use, and it is very effective. It is very easy to use, and it is very effective. It is very easy to use, and it is very effective.

ZOO DELEGATES AT CONVOCAION

The spring convocation of Oakland yesterday at St. John's church was attended by more than 200 delegates and visitors, representing Episcopal churches of the diocese. The program opened at 10 a. m. with holy communion, Rev. E. F. Oes, dean of the convocation, the celebrant. Rev. H. L. Oberholzer, vicar of Richmond, was the preacher. The convocation was called to order at 11:15 and reports were read. Lunch was served in the parish hall, the convocation resuming for business in the afternoon.

Rev. Alexander Barton spoke on "The Church and the Student"; Rev. E. F. Oes followed with the topic, "The Church's Opportunity in Contra Costa County." Miss T. Brookman gave an address on "A School for Christian Service," and Rev. L. B. Thomas discussed the "Apostolic Conference." Miss Mary I. Bentley spoke on "Weekday Religious Education."

In the evening the general topic was "The Revenue Department of the Diocese." Rt. Rev. Edward L. Parsons, D.D., discussed "The Apostolic Conference—Our Obligation to the Church," and P. M. Lee and Ralph Thomas, "The Sinews of War."

OAKLAND WOMEN ENTER RACE FOR CONGRESS OFFICE

Election Contests Mark Second Day of Mothers' Stockton Meet.

By EDNA R. KINARD
STOCKTON, May 10.—Election contests mark the second day session of the annual convention of the California Congress of Mothers today. While interest centers in the candidates for president of the largest organized group of women in the state, considerable attention is being allowed to the nominees for the offices of vice-president and parliamentarian.

Oakland women are contesting for both these positions. Mrs. Peter J. Kramer is nominated for the vice-presidency, together with Mrs. W. A. Price of San Diego; Mrs. S. S. Turvey of San Bernardino; Mrs. R. G. Cardiff of Santa Cruz and Mrs. G. H. Goddard of Anaheim. Two will be elected. Mrs. A. T. Thornton of Oakland and Mrs. D. E. Castle of Manteca are candidates for the office of parliamentarian.

Mrs. C. R. Kelly of Berkeley meets no contest in nomination for state treasurer.

Mrs. Hugh Bradford of Sacramento, Mrs. Charles F. Gray of Los Angeles and Mrs. H. K. Archibald of South Pasadena are the presidential candidates.

Other nominees are: Recording secretary, Mrs. J. J. Barry, Petaluma; corresponding secretary, Mrs. Carl Schnabel, Yuba City; financial secretary, Mrs. J. Stuart Moore, Lathrop; and Mrs. Earl Morris, Santa Ana; auditor, Mrs. Walter Osborn, Bakersfield; historian, Mrs. G. M. Bartlett, Pasadena.

Primaries this morning will be followed by the general election late this afternoon.

The California Congress of Mothers and Parent-Teacher associations will incorporate under the laws of the state in accordance with action of the twenty-fourth annual convention yesterday. The necessary articles will be signed by the retiring board of directors. They are: Mrs. Harry J. Ewing, San Jose; Mrs. Charles F. Gray, Los Angeles; Mrs. Hugh Bradford, Sacramento; Mrs. John F. Sheehan Jr., San Francisco; Mrs. Mabel W. Dorsey, Berkeley; Mrs. James J. Dale, Mountain View; Mrs. Blanche Bates, San Diego; Mrs. G. H. Goodale, Anaheim; Mrs. Jerome O. Cross, Santa Rosa.

The action was not taken without considerable opposition and several hours of feminine oratory. A substantial victory, however, was secured by those who sponsored the plan of incorporation. The discussion was carried on in the form of questions which were answered by Mrs. Hugh Bradford of Sacramento, chairman of the committee, offering the incorporation report.

A business secretary will be employed by the California Congress of Mothers to assist in carrying out the program of child welfare activities under the provision of bylaws adopted yesterday. The appointment is lodged with the board of directors.

The question of a two or three-year term of office for state directors was debated yesterday. The convention reaffirmed its preference for the three-year term.

Because it was declared a purely political body, the congress has taken away from the vote in the executive board from members of the advisory board. This body includes in its personnel the governor, state superintendent of public instruction, president of the state Board of Education, presidents of the state teachers' colleges, and the president of the state university.

A Department of Better Films was added to the regular program of the congress. Posters and exhibits have also been dignified by a separate department. Community life and juvenile protective departments succeed the departments on country life and good roads and juvenile court and probation.

Nominations for state officers will be presented by a nominating committee hereafter, according to the convention vote. Candidates have been nominated from the floor in the past. The older method was

used today in framing the regular ticket.

Adoption of the resolutions which have been presented to the convention will be acted upon before the noon adjournment tomorrow. The second reading of the resolutions to which the mothers are being asked to give their endorsement is expected to occur more than an hour after the adjournment.

It is conceded that Pasadena will win the 1924 convention. A year ago, the southern women presented the invitation to meet with them, but gave way to the Stockton Federation of Mothers' Clubs. It is expected that no strong rivalry will be offered the south in its hospitable plans.

Invitations will be formally presented before adjournment tomorrow afternoon.

The final day of the twenty-fourth annual convention will receive the reports of the following district presidents: Mrs. W. H. Marston, Berkeley; Mrs. Earl L. Jones, Santa Ana; Mrs. H. K. Pierce, Santa Cruz; Mrs. J. Stuart Moore, Lathrop; Mrs. C. M. McRoberts, Los Angeles; Mrs. John Balder, Fillmore.

Round tables on recreation and membership will be held preceding the regular session tomorrow. Miss Winifred Van Hagen of Sacramento will address the mothers interested in the leisure hours of the children. Mrs. C. C. Noble of Los Angeles, under whose leadership the Congress has grown to its present enrollment of 81,000, will be leader of the membership forum.

"HOLLOO DAVO" JUBILANT UNITS ON CENTURY BILL

Owing to repeated requests by the patrons of the Oakland Century theater for a return engagement of Jack Russell's famous comedy, "School Days," the management has acceded to the requests and will offer a revised edition of the vehicle for a week's engagement starting Saturday.

Jack Russell, the comedian, will be seen in his popular role of Patry Bolton, whose ability to get into trouble furnishes opportunity for laughs.

James G. Edwards, who recently returned to the company after a dramatic stock engagement in the Northwest, will have the role of the crusty school teacher, while Evelyn Du Frain, the petite soubrette of the company, will be cast as one of the pupils.

Among the members of the company who will delineate the roles of school children are Walter Spencer, Florence Spurrier, Jackie Irwin, the Knight Sisters, and Arthur C. Van Slyke.

Russell and Herbert A. Harris, general manager of the playhouse, have also arranged a new setting of song numbers, scenery and costumes. The Golden Gate Four, composed of Roland Cully, Med Anderson, Duke Tehaney and Roy Collins, will offer a program of harmony.

In conjunction with the production Harris has also secured a number of other entertainment features.

U. C. '08 Will Hold Reunion Saturday

BERKELEY, May 10.—Plans have been completed for the fifteenth reunion of U. C. '08 at the University of California, to be held Saturday evening in the gray room of Stephens Union on the Berkeley Campus. A banquet beginning at 6:30 will be followed by a dance. Husbands and wives are invited with members.

V. M. Alford, chairman of the committee, is expecting 100 couples. Reservations are being made through Dr. Frank Kelly at the state hygiene laboratory on the university campus.

"I did think some of 'advertisin' for a maid, but I hate t' stay at home an' answer th' 'phone," said Mrs. Edna M. Kelly today, as she was takin' a treatment for her spine. "I'd better let well enough alone," said Agriculturalist Jack Bentley

CASHMERE SHOW OPENS TOMORROW

ALAMEDA, May 10.—Spring modes of attractive designs, exhibited by living models, will be on display tomorrow night in the auditorium of the Alameda high school at Walnut street and Central avenue, when the millinery and dressmaking classes of the evening commercial school stage their annual fashion show.

The handwork of sixty pupils will be exhibited, including sport costumes, evening gowns, afternoon frocks, sweaters, hats of many kinds, ribbon flowers, sofa pillows, lamp shades and embroidery work, according to Mrs. Marie Johnston, instructor in dressmaking, and Mrs. Mary Klopff, teacher in the millinery courses. The exhibit will open at 8 o'clock.

During the evening a short program will include vocal selections by Miss Nellie Dohbins, accompanied at the piano by Lorraine Essex, and piano and violin solos by the Misses Mabel and Ruth Evans. The public is invited.

CHANNEL ISLES GIVE UP LITTLE TO DRY RAIDERS

SAN PEDRO, May 10.—Federal dry agents, using the launch Yaukomo, reported today that they had searched the islands of Anacapa, Santa Cruz, Santa Rosa and San Miguel for an international bootleggers' rendezvous said to be there, but nothing was found except one small still on Santa Cruz, maintained for the benefit of the few vaqueros and goats which constitute the island's total population.

Victor Herbert Is Booster For Opera

"I most enthusiastically endorse the project to revive the better light operas in the West and I am particularly interested in learning that the project in Oakland has assumed the proportions of a community effort," reads a letter received from Victor Herbert, the celebrated composer and addressed to L. B. Jacobs, manager of the Eastbay Opera association, which is to undertake a 10-week season of summer stock at the Auditorium theater July. Herbert explained that he would be very glad to cooperate in any way possible even to the extent of obtaining royalty concessions on his own plays should any of them be produced.

Jacobs announced yesterday the engagement of Mabel Riesengarten as the star to appear in the opening opera, "Naughty Marietta."

SOVIET FINANCE AND ECONOMIC LIFE COLLAPSE

Taxation Inadequate and Inflation Has Assumed Huge Proportions.

By FRANCIS McTULLAGH.
SPECIAL CABLE TO OAKLAND TRIBUNE.
Copyright, 1923, by The Oakland Tribune.
LONDON, (By Cable), April 24.
(Continued from yesterday.)
Soviet finance, after a slight recovery in January, resumed its downward course, notwithstanding all the Red's concessions to capitalism. Nothing can save Soviet finance, and consequently economic life, from collapse so long as the Communists continue their mad experiments and fail to inspire confidence. The total money circulating approaches the astronomical figure of 3,000,000,000,000,000 (three billions of billions) of rubles. The opening of an official stock exchange was fruitless, as transactions are ridiculously small while black exchange and illicit speculation are flourishing.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This does not mean to use any of the old-fashioned remedies, but to use a modern, scientific method. To do this, just get about four ounces of plain, ordinary liquid arvon, apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning most if not all of your dandruff will be gone, and two or three more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. And, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

"SUFFERED RHEUMATIC TORTURE FOR YEARS,"

Now Restored to Perfect Health
Read What J. C. Jones, of Winchester, Ky., Has to Say About ALLENRHU, the Sure Conqueror of Rheumatism.

"For years I was a sufferer from the torture of rheumatism. My limbs (feet and hands) would swell to almost double their normal size. I suffered intense pain day and night so that I could hardly eat or sleep. I had very little hope of ever recovering from this most dreadful and painful disease. A friend of mine seeing how despondent I was over my hopeless condition advised me to try ALLENRHU. I immediately purchased a bottle of ALLENRHU from the George Drug Company in Winchester and got a bottle of the Liniment to use externally. For the sake of other sufferers I wish to say that the results were simply marvelous. After beginning the combined treatment the swelling began to reduce and the pain left me entirely. I continued the treatment until I had taken only two bottles which effected a complete cure. Today I positively feel better than ever before in my life. I feel that I am very fortunate in finding a remedy that has relieved me of the distress and the almost unbearable pains from which I suffered. For the next five weeks I have been working 12 hours a day and haven't even a symptom of rheumatism or ache or pain." Signed, James C. Jones.

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of ALLENRHU, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment. ALLENRHU has been tried and tested for years, and really marvelous results have been accomplished even in the most severe cases where the suffering and agony was intense and pitiable.

ALL READY FOR PLEASANTON FETE

PLEASANTON, May 10.—All is in readiness for the opening of the American Legion Carnival in this city this evening. Pleasanton has taken on a gala appearance for the past few days. The general committee which includes Arthur J. Hansen as chairman, Randolph Apperson, Earle Trimmingsham, Manuel Silva, William F. Hall and Floyd Bryant yesterday announced that everything was complete for the opening and that an open air vaudeville show with a speech-making program would open the carnival officially at 8:15 o'clock with Commander Earle Trimmingsham acting as chairman. Friday evening in addition to a program Congressman James H. MacLafferty will speak immediately after the entertainment and on Saturday evening the Oakland Pyramid of Solists will have its band, drum and drill team in uniform here to augment the evening's program.

Boy Killed When Hit by Automobile

TURLOCK, May 10.—George Castro, 7, was almost instantly killed Monday morning when an automobile driven by Victor Nyland, accompanied by A. H. Brakley, struck him. A few minutes later from a fractured skull.

The accident occurred while Little George and several companions were playing while waiting for the school bus when Nyland ran him down.

The parents, Mr. and Mrs. John Castro, live on a ranch on Johnson avenue. Funeral services will be held this morning from the Catholic church.

COSE OF MANUFACTURING.

Production costs are falsely based on a factory efficiency of 80 per cent, whereas reality is 16 per cent, and hence the finished article at least doubles the American price. The working capital advanced by the government to industrial trusts is thus gradually exhausted, and fresh applications are made by the trusts for more capital, which again is advanced in the shape of more paper money pouring from the government printing presses, thereby lessening still more the currency's value.

TRADING RISKS.

Trade with Soviet Russia is most corrupt and unwholesome and demoralizing to the country engaged therein, and causes more loss to such a country by agitators swarming in every Bolshevik trade mission than is gained in Russia. Take the case of England where a Bolshevik trading company known as "Arcos" (All Russian Cooperative Society) is allowed to operate, being registered as a British company under the name of "The Anglo-Russian Trading Company." This company is purely Bolshevik, and its operations are a disgrace to the British name. England gained \$19,000,000 in two years through Arcos purchases, but lost hundreds of millions owing to strikes instigated by Soviet agents at present in Great Britain as trade agents.

FRECKLES

Girls! Make Harmless Lemon Cream to Bleach Away Tan, Freckles.

Mix the juice of two lemons with three ounces of Orchard White, which any druggist will supply for a few cents, shake well in a bottle, and you have a whole quart of the most wonderful freckle and tan cream, and complexion beautifier.

Massage this sweetly fragrant lemon cream into the face, neck, arms and hands each day and see how freckles and blemishes naturally bleach right out and how white the skin becomes.—Advertisement.

WOMEN'S CLUBS DELAY ON WORLD COURT BACKING

ATLANTA, Ga., May 10.—(By the Associated Press.)—Declaring she "would not stand for the federation endorsing President Harding's proposal for American participation in the world court of international justice," Mrs. Thomas G. Winter, president of the General Federation of Women's Clubs, yesterday announced that the resolutions committee's resolution probably would be modified so as to make clear that the principle was endorsed and not any specific proposal.

Mrs. Winter explained that while she personally favored American participation in a world court, she would endeavor to have the resolution so worded that no charge of partisan politics would be brought against the federation. The resolution as agreed upon by the committee, and not mentioned by President Harding or his proposal, but some leaders informally pointed out that the President's recommendation is the only one before the country.

K. C. CONVENTION ELECTS CHIEFS

SACRAMENTO, May 10.—Business sessions of the twenty-first annual state convention of the Knights of Columbus were concluded late yesterday with the selection of Pasadena as the next convention city. The following officers were elected:

Frank Michel of Sacramento, state deputy; Thomas H. Murphy of Los Angeles, state secretary; Ed Kavanaugh of Vallejo, state treasurer; Dan T. Maher of San Francisco, state warden; C. Harold Caldwell of San Francisco, state advocate.

Thirty-five resolutions were considered by the order. Among the most important adopted was a resolution calling on the supreme council to establish a home for the treatment of tubercular members, another limiting state officers to one term and a third appropriating \$500 for the education of Franciscan Fathers at the Santa Barbara mission.

MacLafferty Speaks To Pleasanton Men

Spending most of today in the Livermore Valley, Congressman J. H. MacLafferty at noon addressed the Pleasanton Men's Club of Pleasanton. In the afternoon he visited the site of the proposed sanatorium for disabled war veterans at Livermore and this evening will make an address at a community meeting in Pleasanton.

It is expected that MacLafferty will talk upon the subject of the proposed war veterans' hospital which has been the subject of controversy since the War Department held up first plans for the institution. Reports now received declare that one unit is to be built on the Livermore site and another unit at Los Angeles.

Mills Sermon By President

President Aurelia Henry Reinhardt has chosen the Scriptural passage, "Not by might nor by power," as the text for the annual baccalaureate sermon which she will deliver Sunday afternoon at 3 o'clock at Mills College.

The sermon, which will be one of the last of the academic ceremonies preceding the conferring of degrees on this year's graduating class, will be held in Lister hall on the college campus. It will be preceded by half an hour of music.

As is customary, the seniors and faculty will march in academic procession to the place where the sermon is held, with the college choir at their head. Special music has been prepared by the choir under the direction of Mrs. Lauretta V. Sweeney.

Those who will participate in the half hour of music are Miss Catherine Urner, soprano; William Lerala, violinist; and Miss Doris Olson, organist.

Language Schools Ask for Injunction

HONOLULU, May 10.—(By the Associated Press.)—Counsel for 14 Japanese language school yesterday filed a petition in court for an injunction to restrain the territorial board of education from enforcing the provisions of the Clark act, adopted recently by the territorial legislature, which would regulate the foreign schools and impose an annual fee of \$1 on each pupil attending them.

The court granted a temporary injunction, pending a hearing on the petition.

CHICAGO, May 10.—Finca, jail sentences and lectures were given variously to the 800 speed law violators booked in three speed courts yesterday.

"It gets the edge dirt right out"

Is there anything harder to get clean than a dirty soft collar?

Yet the grimmest of this man's collars are now washed white and clear of edge dirt without hard rubbing

Read the letter below from a man who travels over dusty, dirty roads every day.

"My wife gets out all edge dirt from my semi-stiff collars since she took to using Rinso. She says she never could get them clean with bar soap alone and she hated to use harsh powders. With Rinso I must say she gets a fine result—my collars come out spotless—and it seems to me they wear almost twice as long."

With this new soap soaking takes the place of rubbing

Just by soaking in the suds of this new soap, the most ground-in dirt is gently loosened and dissolved and not a thread is weakened. Even the dirt that gets absolutely ground in at cuff edges and the like is so loosened by soaking in Rinso suds, that it comes out with only a light rubbing.

Whatever your way of washing, Rinso does the whole job—with it you need no other soap.

All these washing machine manufacturers say "Use Rinso"

Apex, Bluebird, Coffield, Gainaday, Getz, Haag, Horton, Laun-Dry-Ette, Meadows, "1900" Cataract, One Minute, Rotarex, Sunnysuds, Surf, Trojan, Voss, urge women to use Rinso.

Get Rinso today. All grocers and department stores have it in two sizes—the regular package and the big new package. Lever Bros. Co., 164 Broadway, Cambridge, Massachusetts.

Things generally dirty things always come clean with Rinso

Rompers and working clothes

"In my wash every week the baby's rompers and my oldest son's working clothes are the dirtiest. I make a good suds with Rinso and let my clothes soak. I have to rub my son's shirts a little but Rinso has loosened the dirt and it works right out. By half-past nine my whole washing is on the line. Rinso is a wonderful saver of time and strength."

Boys' Scout clothes

"My boys' scout clothes were my despair until I learned about Rinso. Dirt from the woods, from smoky pans—ground right into their suits. Now I soak them for about twenty minutes in Rinso and all the dirt is loosened."

Big heavy pieces

"The thing I minded most was rubbing the big heavy things. Since I have found out how easily Rinso soaks the dirt out of them I don't have any troubles."

No Soap Better For Your Skin Than Cuticura

Prevents Itching, Cleans, Softens, Soothes

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. Take one or two nightly and note the pleasing results. Millions of boxes are sold annually at 15c and 30c.—Advertisement.

CHANGE OF LIFE LOSES TERRORS

For Women who Rely upon
Lydia E. Pinkham's Veget-
able Compound

Greenville, Pa.—"I took your medicine through the Change of Life and it did wonders for me. I was down in bed when I started to take it and weighed 95 pounds. I had hot flashes and was so nervous and weak that everything would get black and I could not see. I would sit and cry and did not know what I was crying for. Since I have been taking Lydia E. Pinkham's Vegetable Compound I feel younger than I did ten years ago, and my friends all tell me I look younger, and I owe it all to the Vegetable Compound. I do all my housework for a family of seven now. I will be glad to answer any woman who writes me in regard to my case."—Mrs. JOHN MYERS, 55 Union St., Greenville, Pa.

Many letters similar to this have been received from women who describe as best they can their feelings before and after taking this well-known medicine.

Kidney Trouble Disturbed His Rest

Is Now Able to Lie Down and Sleep Soundly—His Kidney and Bladder Trouble All Gone—Read His Statement.

"I was a sufferer for several years from kidney and bladder trouble and had to get up many times each night on account of the condition that I was in. I was induced to try Dr. Carey's Marshmallow Prescription No. 777 and to my great surprise and satisfaction I was able to lie down and sleep undisturbed. I can truthfully say that I am entirely cured and would advise any who are suffering from this terrible disease to try Dr. Carey's Marshmallow." Signed C. H. Ritchie, Elmira.

It is Dr. Carey's own prescription known as No. 777, for many years used by him with remarkable success in the treatment of kidney and bladder troubles. It consists of roots and herbs that have a direct and specific action only on the kidneys and urinary organs. It can always be obtained at all good drug stores in the country over.—Advertisement.

Motor World

The Red Bird is here. You have been seeing many pictures of the flying wonder and trying to figure out what it was all about.

It is a new model Overland motor car, modeled along English lines, upholstered in red velvet, plated radiator, headlights and back plates, and many improvements and refinements.

"The first of the new cars arrived here yesterday and created no small amount of interest. D. Bell of Bell & Boyd, Overland and Willy-Knight dealers here.

"The new car has a longer wheel base, a larger motor, which develops more power, a roomier body, wider doors, and many improvements and refinements throughout.

Lumpers front and rear, a windshield wiper, red upholstery and khaki top, are some of the new features.

"The company will continue the model four Overland, which was announced several years ago and which has been improved and refined each year.

"This new car will complete the Overland line by giving people who want a larger more powerful car than the model four, with complete equipment.

The patented spring suspension system is used on this new model making it an easy riding car, and the springs are longer too.

"The new car is on display in our salesrooms now."

An interesting move has taken place on the row which amounts to a switch in places of business.

Durant-Stevens Motors Inc., Durant dealers here, have moved into the quarters formerly occupied by the Pioneer Motor Company, Peerless distributors, at Twenty-eighth and Broadway, and the Pioneer Company has moved to the Durant quarters opposite Fabiola Hospital, on upper Broadway.

Durant-Stevens Motors Inc. was formed last fall to handle Durant four and six-cylinder cars in this city. The officers of the company include R. C. Durant, C. M. Stevens and A. L. Worthington. They took over a sales and service establishment on Broadway.

To have a store of some sort in which to start their activities.

The switch was made to get Durant into the heart of the row so that their sales activities could be concentrated. The used car salesrooms will be maintained on Broadway opposite their new car establishment.

The new quarters are larger and have more room for service than the quarters further up the row.

AL HAMBRA NIGHT SCHOOL SUCCESS

MARTINEZ, May 10.—The night school conducted at Alhambra High school will hold its last classes Thursday night. It was announced today by a statement of E. L. Rowell, principal of the school.

This is the first year of the night school in Martinez, has proved most successful, both from the standpoint of results attained by individuals and in the attendance.

It has attracted, and it was announced today that it would be continued next year.

An evidence of the success of the school is the fact that it has been almost self supporting as a result of continued heavy attendance. Probably 125 students have pursued various courses through the entire length of the term.

Professor Rowell, who has maintained close touch with conduct of the night classes, expressed satisfaction at the results that have been obtained. Students, also, praise the conduct of the school and are anxious for continuance of classes next year.

Many of the students are employees of the Shell Oil company and other industrial concerns.

How it feels to be the leader of the tire business

THERE was a time when the bigger a business grew the more "uppish" it got.

Those days are over—praise be.

The makers of Royal Cords are the leaders of the industry, but they don't feel it any loss of dignity to reach out for new friends.

And they take the very simple way of just asking you to try Royal Cords. The Royal Cord policies are simple.

For instance, Royal Cords have never talked about exceptional milages. There are hundreds of testimonial letters in the files but they might sound extravagant and misleading to people and that is not a good thing.

Yet the makers of Royal Cords believe that Royals deliver the greatest average mileage of any tire that was ever made. This seems to be proven by the confidence car-owners have in these tires.

Royal Cords have never been sold at "big discounts". People can't tell what a tire is actually worth if it sells for all kinds of prices in different sections of the country.

The smartest Royal Cords are getting today from so many new users is the outcome of people feeling confidence and trusting the Royal Cord makers.

When you put Royal Cords on your car you are going to be satisfied. You will see what a good, clean money's worth they are.

WHY HE HESITATED.

A man with a worn, haggard countenance that showed traces of deep sorrow and a trembling lip, stepped up the stairs into the editorial rooms of the Post.

The literary editor was alone in his corner and the man threw himself into a chair nearby and said:

"Excuse me, sir, for intruding on your time, but I must unburden myself to some one. I am the unhappiest of men. Two months ago, in a quiet little town in Eastern Texas, there was a family dwelling in the midst of peace and contentment. Hezekiah Skinner was the head of that family and he almost idolized his wife, who appeared to completely return his affection. Alas, sir, she was deceiving him. Her protestations of love were but honeyed lies intended to deceive and blind him. She had become infatuated with William Wagstaff, a neighbor, who had insidiously planned to capture her affections. She listened to Wagstaff's pleadings and fled with him, leaving her husband with a wrecked home and a broken heart. Can you not feel for me, sir?"

"I do, indeed," said the literary editor. "I can conceive the agony the sorrow, the deep suffering that you must have felt."

"For two months," continued the man, "I've been of Hezekiah Skinner has been desolate, and this woman and Wagstaff have been flying from his wrath."

"What do you intend to do?" asked the literary editor.

"I am sure," I do not care for the woman any longer, but I cannot escape her. I am a day after my own life."

Sea Captain Buys Home in Oakland

Trouing in San Francisco Harbor on his journey around the world, a 100-ton steamer, Captain R. H. Gundel of the Steamer Hebe, has turned an ultimate home port for himself by acquiring the home at 618 McKinstry Ave.

Captain Gundel was interested in the property by an advertisement inserted in the OAKLAND TRIBUNE last Sunday by George Gohorn, in which he described a six room cement bungalow commanding a wonderful view of the Bay and hills. Captain and Mrs.

Gundel came from San Francisco the following day and acquired the property.

Oakland residents who have not acquired property in their home city should give careful thought to the decision of men who have here when familiar with every spot in the world. Captain Gundel said for Australia on the Hollywood in a few days.

Pair Held on Dry Charge Ask Jury

Montgomery and Frank Somabano, charged under the Wright act with possession of intoxicating liquor, demanded a jury trial yesterday, and the case was set for trial for May 18 by Police Judge W. E. Langdon.

The trial of Abe Ramirez Jr., similarly charged which was also set for yesterday, was continued until May 25, due to the illness of Chief of Police C. A. Smith, one of the principal witnesses in the case.

Goodyears Are Never High-Priced

Every so often we meet a man who thinks that Goodyear Tires, because of their higher quality, are higher in price. The truth is, that for a good many years, now, Goodyear Tires have been as low or lower in price than ordinary tires. Right now, even the wonderful new Goodyear Cord with the beveled All-Weather Tread is sold at no extra figure, as the following prices will show:

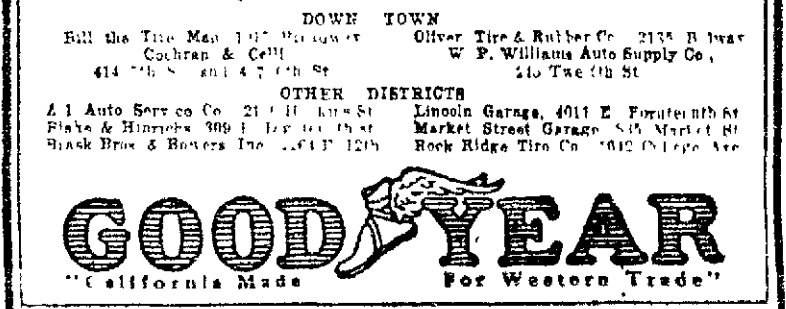

30 x 3 1/2 Clincher	\$17.55
32 x 4 Straight Side	36.10
32 x 4 1/2 Straight Side	46.70
33 x 5 Straight Side	58.20

When you consider both their quality and the service that enables you to get out of them every mile built into them, you find that Goodyear Tires are the very lowest-cost tires you can use.

As Goodyear Service Station Dealers we sell and recommend the new Goodyear Cords with beveled All-Weather Tread and back them up with standard Goodyear Service.

POLICE LOCATE LOST PEARLS
\$72,000 PEARLS LOST SIX DAYS

S. F. Hotel Laundry Man in Jail; Dillingham Gems Recovered.

SAN FRANCISCO, May 10.—Victor de Malterre, 35, of the St. Francis hotel, was arrested today on a charge of having stolen a pair of pearls valued at \$72,000 from the billiard room of the hotel. The pearls were found in a pile of hotel laundry. Evidently Mrs. Dillingham had placed the necklace under her pillow and left it there. Recovery of the missing gems came about through the activities of the pawnshop detail of the police department. Late Monday afternoon a man walked into the shop of Solomon Rivkin, 412 Kearny street, and offered to pawn a French watch worth \$200. On receiving an offer he refused it, and asked Rivkin's value on what he called "a string of beads." The pawnbroker, recalling the instructions given him by the police, believed these to be the Dillingham pearls and offered \$100. The man who police say was De Malterre, refused.

OWNER IN HAWAII
The pearls are the property of Mrs. Walter L. Dillingham, wife of a Hawaiian multi-millionaire politician and political leader. De Malterre told the police that he found the pearls in a pile of hotel laundry. Evidently Mrs. Dillingham had placed the necklace under her pillow and left it there.

RING FURNISHED CLUE
The pawnbroker noted a stranger ring on the victim's finger. A large signet of gold had been an eagle and a crown. When the stranger left Rivkin followed. He says he spoke to three uniformed patrolmen and a police corporal, pointing out De Malterre as bearer of jewels wanted by the pawnshop detail, but that all four declined to arrest the man.

After losing his quarry, Rivkin reported to police headquarters, and De Malterre was located at the St. Francis by the signet ring. De Malterre at first denied all knowledge of the necklace, but later took the officers back to his room and produced the pearls from a box in the bottom of an old aluminum paint can.

The pearls, 75 in number, perfectly matched and graduated in size, making a string 26 inches long will go back to their owner, who killed for the Hawaiian Islands the day after the gems were lost.

Auto Park Campers Will Give Community Concert

By FRANCES MONTGOMERY.

This is music week and if there is music in the air anywhere it is on the balmy breezes wafting up and down the miniature streets of the Eastbay auto park camp grounds at Forty-seventh and San Pablo avenue. This little village in the midst of Oakland was not aware of the week of music to the extent of coming forth with their own community concert until The TRIBUNE found them. In fact, they say out there that they never all got together at once and that they know only their next door neighbor. Mrs. Glenn, who lives on Main street in cottage 127, says they have a real like the groundhogs because they go in the little houses at dark and shut the door and only stick their heads out when they hear a new family driving in. But The TRIBUNE was shown them how and now you should see them getting together and doing things.

PLENTY OF TALENT
As for talent, there's a whole lot of it. It's worth of talent and talent is worth of talent. At the camp and Friday evening the whole camper family, Mr. and Mrs. and the children are going to gather on the 47th and put on a regular concert and The TRIBUNE is going to help them do it. Mr. Chapman, manager of the camp grounds, entered into the scheme to get his big family together and he's helping too. To feel everyone is going to help out there. Those who don't sing or dance are going to come and sit in a box seat and applaud. They've promised to and maybe they'll like what the others do so well that they will forget themselves and join in the community singing. Mr. Chapman says he'll put up a May pole for a May dance, and that reminds me I must tell you about the children. They're unusually clever and they are all so anxious to have a real show and wear real costumes that they all got together and wrote a play. You should see what they are going to do with one rehearsal. Jackie Coogan has nothing on little Bonny Bly as a child. Bonny Bly has a (a) chief and everybody sings, dances or anything that the Music Lady says to do. Then Bonny will try his method on the mothers and fathers and there will be some community singing.

Everyone in the park wants to hear the Real Estate Men's Glee Club and they will have that very treat for the glee club, every man in Oakland real estate man, is going to be there with ten big voices and a generous program. Mrs. Ralph Cooper, who lives at the auto park camp, will put on a surprise number. She plays the violin and sings and will appear in an elaborate Indian costume.

How to Look Years Less Than Your Age

The most aged face will look years younger after the use of ordinary medicated wax for from one to two weeks. This remarkable substance, because of its peculiar properties, actually removes the thin veil of faded or withered outer cuticle, a little at a time. Gradually the fresher, more youthful skin underneath is revealed. This process of removing the aged, unhygienic one, an entirely natural complexion is acquired—quite different from an artificial complexion which appears anything but girlish, though often bearing painful evidence of childishness. An ounce of medicated wax, obtainable at any drug store, is sufficient to remove one's complexion. It is put on like cold cream at bedtime, and washed off mornings.—Advertisement

Get Back Your Old-Time Vigor Here Is the Way—Says Science

Strength, Vim, Vitality Restored by Lyko, the Great General Tonic.
Proved in Thousands of Cases

Mr. W. L. Lawler, a well known citizen of Northern Alabama, reports an experience which will interest everyone who is in an ailing, weak or generally run-down condition. Mr. Lawler writes:

"After using the wonderful medicine, Lyko, I have received more benefit from it than any other remedy I ever used. I say that this is one of the greatest tonics for vitality, digestion and the liver; a general builder for run-down persons. It has made me an entirely new man at the age of 55. I feel like 30 today."
The power of Lyko to keep a man fit is also well proved by the experience of Mr. E. Jenkins, of Chicago, who says: "My business keeps me closely confined to the office and at a desk all day long. As a result, my system became all clogged up. I was always tired, rested poorly at night and grew nervous and irritable. I began using Lyko and now I am in fine shape again, feel cheerful, and am able to do much more work without fatigue or nervous strain."
An Oklahoma man, Mr. Gallon, also tells about the help Lyko gave his wife after her nervousness had failed. His letter says: "The wonderful relief Lyko has given my wife. She has been taking all kinds of medicine, which did no good. I saw Lyko advertised and got it and it is doing her lots of good."
Mrs. Denton, of Mississippi, writes: "I have been taking Lyko and have found it the best medicine in the world for indigestion. Lyko gives its beneficial effects through the action of its pure medicinal ingredients, which are selected and compounded to make it an unrivaled general tonic and reconstructive agent. Lyko has a gentle but sure laxative effect. It also puts zest into the appetite and gives activity to the digestive functions so that food is readily absorbed, thus providing strength and vitality to the body and making it capable of resisting the attacks of disease. And when stomach and bowels are put in good condition many ailments quickly disappear.
When the liver is sluggish and the kidneys disordered, when the nerves are all unstrung, when one feels exhausted and incapable of effort, and looks old and haggard, these are Nature's warnings that the body needs the help that Lyko will give. The fact that thousands use it regularly and recommend it, shows the good this great general tonic is doing. Lyko is sold by all reliable druggists. Ask for it today."

GOVERNOR SIGNS THIRTEEN SENATE, ASSEMBLY BILLS

TRIBUNE BUREAU. Sacramento, May 19.—A bill permitting private individuals to donate money to the State for the purpose of purchasing for State park purposes certain tracts of redwood and other timber lands which he will be allowed to designate, has just passed the assembly. The bill, which was introduced by Assemblyman Albert Rosenzweig of San Francisco, has the support not only of the "Save the Redwoods" League, but of the lumber interests of the State.

who said that every possible opportunity would be taken to get the bill in the Senate committee, of which he is the chairman. Senator Ingram thereupon described the bill's redistricting provisions as "a piece of legislation." "I remark led to a sharp passage of words between Senators Rominger and Ingram which was only concluded when Senator "Jack" Innman stepped in and said, "Let us take up a bill which has been already defeated by an overwhelming vote in the other house."

MESSAGE OF GOVERNOR.

The Governor's reapportionment message to the Legislature today reads: "The Constitution (Chapter IV, Section 2) provides that the census of the United States shall be the basis of fixing and adjusting the legislative districts of the State; and the legislature shall, at its first session after each census, adjust such districts and reapportion representation as to preserve

R. post, which is the largest in the encampment of its organization in the west next year was granted in the sum of \$25,000. San Diego will get \$10,000 from the state if it puts up \$10,000 for public health service in the border county. According to the terms of Mueller's bill recommended to the Assembly. More than three such appropriations bills died in the committee at midnight.

PROBATION ASKED.

"I consider this man thoroughly bad," declared Superior Judge George Samuels today when Albert J. Bick, charged with burglary, was brought before him for probation. After the court's expression a motion was made by the defendant for a continuance of a few days.

That's the record set by a *Lexington* stock touring car, lubricated with VENTURA Motor Oil.

For nearly sixteen hours the sturdy Lexington, with its wonderful Ansted motor, roared steadily over the mountains and through the valleys at 33 to 35 miles per hour, from Los Angeles to San Francisco—450 miles with the gears *sealed in second!*

Such an endurance record was a terrific test for both the oil and the motor. Running at high speed—2000 revolutions per minute—hour after hour, the motor required perfect lubrication to bring it safely through. At no time during the gruelling trip, did the temperature of the radiator water show higher than the average summer heat!

C. C. DRIVE IN SAN LEANDRO IS WEARING MARK

Teams Expected to Exceed
Membership Aims of
New Body.

SAN LEANDRO, May 10.—Teams of the local Chamber of Commerce started today to exceed the highest mark set yesterday when the team of W. J. Cannon and J. J. Brunner, the former getting the greatest number of men enrolled, 15, and the latter having brought in the largest total of membership money, \$400.

Early totals of \$2500 pledged yesterday had rolled past the \$3000 mark, and indications are that enthusiasm has grown as the teams worked. Leaders are hopeful that both financially and in membership the drive will go over the limit of 300 members and \$7500 in pledges.

DRIVE GOING WELL.
"The intensive drive is going as well as we had hoped," said J. M. Silvey, field worker for the California Development association, which is fostering the reorganization. "Reports from the field workers show that business and professional men of this city really are the need for a Chamber of Commerce, and expect to rally behind the organization and make it a 100 per cent one."

"Our future plans, as outlined recently, will be followed immediately by the reorganization of the Chamber of Commerce, with a primary nomination of two dozen nominees for directors, and the selection of a board of a dozen. Later that board will select a permanent secretary. Already the San Leandro Chamber of Commerce is a success, the first two days of intensive driving shows that the drive is going over in this shape."

BOOY IS SUCCESS.
"Compared with the other drives which the association has conducted, San Leandro is measuring up well. We feel as though the local body will come through this reorganization with a clean bill of health and take its place as one of the foremost business bodies in the state."

Reports handed in by the team workers at the Monday luncheon show that the business and professional men of the city have the most faith in the carrying out of the present program. As a whole, San Leandro businessmen are showing the team workers reports that the Chamber of Commerce is a success, that they do not intend to be without any longer.

Wife Is Held For Trial in Slaying

SAN FRANCISCO, May 10.—Mrs. Grace Barrett, held in custody today by Police Judge O'Brien in connection with the death of her husband, Harry Barrett, a musician, several months ago. The magistrate said he thought there was a sufficient doubt in the case for a jury to determine the issue. Bond of \$4000, in cash and the formal holding will not be made until Saturday in order to allow the defendant who is charged with murder to raise the bail. She has claimed all along that she was washing dishes in her apartment when she heard a shot and believed her husband committed suicide.

Allen Expresses Thanks to Voters

"EDITOR TRIBUNE: I wish that you would express for me, through the columns of your paper the thanks of your voters of Oakland who supported me in the last election. I feel that my election has been a vote of confidence in the younger citizens of the community. I shall do my best to see that that confidence is not abused, and hope that the future will prove that it has not been misplaced. I wish to thank every voter for his support and The Oakland TRIBUNE for carrying my message to them."

"Yours very truly,
JOHN J. ALLEN JR."

High Blood Pressure

HOW WITTER WATER
ACTS ON GLANDS

In his book "Blood Pressure," Dr. Francis Ashley Paquet, a noted authority, points out the effect which the adrenal glands have upon blood pressure. The adrenal glands are the most important glands in the body, and their proper functioning is essential to the maintenance of normal blood pressure.

1. Cold hands and cold feet.
2. Slight momentary dizziness.
3. Sleep unrefreshing.
4. Sleep disturbed by dreams.
5. Feeling of fullness in the head.
6. Gastric disturbances after meals.
7. Constipation.
8. Nervousness and lowered vitality.
9. Headaches.

Of the 20 chemical elements which Nature has placed in the human body there are many which act directly on the adrenal glands, cleaning, healing, and strengthening them. One of the reasons why Witter Water has proved effective where other treatments have failed is that it acts on the adrenal glands. 5000 high blood pressure cases have been successfully treated. Witter Water is not expensive, non-habit forming, and it has done for others it will do for you. At least find out about it. Write for complete information coupon for complete information.

SAYS HUSBAND HAD WIFE AND HIDES PROPERTY

After nine years of married life with John Millinovich, head of a local drapery concern, Nettie M. Millinovich discovered that he had a former wife and that his marriage to her was still legal and binding. Mrs. Millinovich declared in a suit for annulment filed in the superior court today. The complaint charges that the couple were married in September, 1914. They lived together until May 6, 1923. During the intervening years they accumulated considerable property. The complaint charges that Millinovich has a bank account in a local bank under the name of John McGlick, and that he has secreted other property as well. She asks that a restraining order be issued to prevent his disposing of any of the property. Mrs. Millinovich asks a decree of annulment and one-half of the community property.

Nerves On Fire From Neuritis

Thousands of people afflicted with neuritis take medicine for rheumatism and wonder why they don't get well. Such people do not know that even a slight attack of rheumatism may develop into a severe case of neuritis or nerve inflammation, which calls for different treatment. Neuritis is often accompanied by a feeling as if the nerves were on fire, soreness in the muscles, stiffness in the joints or a tingling sensation in the hands or feet. Always there is pain—sharp, agonizing pain—which may hurt constantly or only at intervals. Epsa Neuritis Tablets will quickly soothe the throbbing, aching, moving inflammation and griping. Guaranteed harmless. Used and endorsed by physicians. Price \$1 at The Oak and other druggists. Beckwith & Runyon Co., Manufacturers, 425 14th St., Oakland; 100 Powell St., San Francisco. Early Lesson in Salesmanship Is Found in Bible

Jacob and Esau were the first men on record to employ the art of selling, according to W. W. Cooley, advertising expert, who discussed salesmanship from its early beginnings, in a talk before the Oakland Exchange Club yesterday at the Hotel Oakland. He declared that, just as salesmanship was a practice of the Bible times, so were profit-making and the policy of truth in advertising.

"Esau was a poor salesman and Jacob a skillful buyer," Cooley said. "When Jacob said, 'Sell me this day thy birthright,' Esau's compliance with the demand showed that he was unsuccessful as a salesman, for he delivered the valuable goods for a small compensation. The first profit-making did not occur in the late war but in Biblical times, when the people made the exchange of goods for money, and sold the refuse to the poor."

"Truth in advertising is also a modern slogan, built on an old principle. The following verse in proverbs was the basis for the present-day motto of the Association: 'Buy ye truth and sell it not.'"

PRIMA DONNA MAY WED AGAIN

Free of the shackles that bound her to W. J. Schmidt, contractor and brother of George Schmidt, city councilman of Berkeley, Mrs. Marion E. Schmidt, known to the stage as Marion Merle, is reported to be contemplating marriage to a wealthy business man of this city. To make sure there was no legal requirement overlooked in the granting of her final decree of divorce, Mrs. Schmidt accompanied Philip Swerlin, her attorney, to court while the final decree was being entered. It was not necessary for her to be there, but she wanted to make sure.

But when questioned on the report of a new romance involving herself and an Oakland business man, Mrs. Schmidt would neither affirm or deny the rumor that she was to be married within a few days or that such a romance existed. Mrs. Schmidt and the contractor came to the parting of the ways in 1921, when the prima donna charged her husband with infidelity and her plans to become an operatic star. They were married in 1918 and the wife was granted an interlocutory decree of divorce a year ago yesterday.

Mrs. Schmidt is a great granddaughter of General Martinez, who founded one of the earliest families of this state. At present she resides at 618 Bush street, San Francisco, and she is prima donna of Sophie Tucker's company, which has been playing at the Century theater, San Francisco.

"ISLAND OF OZ" TO BE REAL ISLE ON LAKE MERRITT BATTLE IN AIR WILL BE FEATURE OF SHRINE FROLIC

Labor Temple Asks Cham-
bers of Commerce to Par-
ticipate in Big Show.

Invitations were extended yesterday by the Oakland Union Labor Temple Association to every Chamber of Commerce in central and northern California to participate in the "Island of Oz" spectacle which the labor organizations of the Eastbay district will stage on Lake Merritt, starting June 20. Harrison Boulevard will be converted into a vast industrial exhibition, and the Chamber of Commerce in various cities will be given free space for the purpose of demonstrating the resources and products of their respective localities.

"We want to make the Island of Oz and the Department of Progress a really significant industrial exhibition of local but of state-wide interest," explained Senator Edgar S. Hunter, chairman of the Labor Temple committee. "It is our plan to advertise the event all over the state. We will make a special campaign in Los Angeles and San Diego for the purpose of interesting the tourists who are drawn to those cities. We also plan to take advantage of the advertising of the states of Washington and Oregon are doing to attract visitors to their territories and place advertising in those districts."

"We are particularly interested aside from the amusement features of our production, in presenting in the most attractive fashion the varied agricultural and industrial resources of California. We have already received assurances of support from labor bodies all over the state."

The spectacle derives its name from the fact that a magic island will be erected in the center of Lake Merritt, whereon pretentious ballet and aquatic spectacles will be staged.

Surprises Arranged For
Autumn Program At Neptune Beach Saturday.

With Ashburn Temple of Oakland in possession, Neptune Beach, Alameda, will be the scene of a grand frolic Saturday evening, with battle tactics by aviators in the air, a big display of fireworks and numerous surprise features and entertainments, beside the regular concessions, in charge of the men with the f.

The aviators from the Presidio who will stage an airplane battle with an aerial smoke screen at 8 o'clock, the Walter Cavanaugh, Lloyd Cavanaugh, John Greenough and Russell Cavanaugh.

Twenty "baron beauties" will give an act upon the platform. The Ashburn band of fifty pieces will furnish the music and the lodge band in their brilliant costumes will go through their "Wooden Soldier Frolic." This is a new evolution arranged for the Imperial Council of the order in Washington.

The Ashburn Frolic Committee has arranged several original contests, which these contests will prove entertaining novelties. All the kiddies will be given balloons. The frolic is in the nature of a farewell to the patrol and band on the eve of their departure for the conclusion at the National Capital in June.

POSTOFFICE TO HELP ADVERTISE N. E. A. MEETING

The postoffice department has joined with the local committee on arrangements to help advertise the coming convention of the National Education Association. According to a letter received yesterday by Chairman Fred M. Hunter from the office of the postmaster general in Washington, arrangements have been completed to carry a convention session on the convenient machines in both the Oakland and San Francisco postoffices.

This session will be "National Education Conference, Oakland, San Francisco, June 23 to July 7." The postoffice will broadcast the message of the two-day convention to thousands of people throughout the world.

The attendance at the World Education Association convention is expected to exceed 20,000 delegates.

Santa Cruz Elects Mayor at Primaries

SANTA CRUZ, May 10.—John H. Maher was elected mayor of Santa Cruz at the primary election Tuesday, receiving a majority of 193 votes over his two opponents, C. J. Smith and J. J. Smith. George Gray, Walter Paine, Charles Bazzani and H. E. Bissac were nominated for commissioners, two of whom are to be elected in the final election.

David C. Moore, Howard Smith and H. J. Ross were elected members of the city board of education. The proposal to issue \$400,000 bonds for the purpose of improving the city water system carried by a safe majority.

Oakdale Amends Its 'Little Volstead' Act

OAKDALE, May 10.—The city trustees amended the town's "Little Volstead" act to the extent that the imprisonment clause has been eliminated. City Attorney Reeder informed the board that the ordinance in its existing form was illegal, conflicting with the state and federal laws, inasmuch as it provided for imprisonment for the first offense.

BAPTIST MEETING ELECTS OFFICERS; ENDS TOMORROW

Attendance At Four-Day Ses-
sion Reported to Be
Record-Breaking.

Election of officers, which was to be the principal business this morning before the Northern California Baptist Convention at the First Baptist church, was postponed until 4:30 this afternoon, when the report of the nominating committee will be made and other business completed. The convention will close tomorrow evening after four days of record-breaking attendance, delegates coming from as far as Berkeley and from points near the Oregon line.

At 3:20 tomorrow the out-of-town delegates will be the guests of the Oakland Chamber of Commerce for an auto ride and will be given an opportunity to see some of the beauties of "My City Oakland," and also Berkeley. Tomorrow night's program includes addresses by Dr. P. H. J. Lerrick of New York, home secretary for the Foreign Mission society, and an address on "Recruiting for the Kingdom," by Dr. J. S. West, pastor of the First church, San Francisco.

POLICE TO CHECK I. W. W. STRIKERS

LOS ANGELES, May 10.—The police in the harbor district where a strike of the Marine Transport Workers' branch of the I. W. W. has been in progress since April 25, were increased from 150 to 250 today. Chief of Police Louis D. Oaks announced.

"We have stood for enough foolishness," the chief said. "If the strikers want trouble we will be ready for them. We'll put 500 men in the harbor district if necessary."

It was disclosed the Standard Oil Company has placed two launches at the disposal of the harbor police. Eugene E. Mills, president of the Ship Owners' Association of the Pacific coast, said 1500 men in telephone strikers would begin arriving tomorrow.

About 1000 boatmen were on duty today, and some progress was made toward loading and unloading vessels tied up at the docks.

Builders Planning Home Talent Show

A "home talent" show is being planned by the Builders' Exchange of Alameda county. E. W. Shaw, secretary of the organization, has discovered a wealth of talent among the builders. Among the shining lights are:

T. D. (Tim) Sexton, whose ability as a story teller has made him a host of friends; Fred Bishop, who played over the Orpheum circuit in a whistling and loud imitation of James B. McKoon, pul of its beach in the Klondike days, whose talent goes to drama and recitation, and William Makin, who possesses a splendid singing voice.

And so plans are being made for a "home talent show."

LOUIE DANCE PLANNED.

The annual summer dance of the Laurelhurst Institute, No. 79, Young Ladies Institute, and American Council No. 9, Young Men's Institute, will be held Saturday evening at the Oakland Club. Monte and Freda are the hosts. Melody Hove have been engaged to furnish the music and the hall will be specially decorated for the occasion. The arrangement committee consists of Weston Hayes, Edna Brandes, Leonard Yates and Erna Brandes.

! sensitive

She was so sensitive she never could impress people with the personality she really had.

SHE was never really herself. She never did herself justice in a crowd. She wanted to be the center of things and she was clever enough to have been. Yet she lacked that sense of self-confidence—the poise that is so often the difference between popularity and social obscurity.

She did everything she could to overcome this unfortunate condition. She changed her clothes, her toilet, her speech. Yet it didn't help.

At last she discovered that it was her teeth she had unknowingly been most self-conscious about. Fastidious about everything else, she had neglected her teeth somewhat and their appearance showed it. You may be sure she did not neglect them after her discovery.

Only the right dentifrice—consistently used—will protect you against such criticism. Listerine Tooth Paste cleans teeth a new way. The first tube you buy (25 cents) or the free sample (see coupon) will prove this to you.

You will notice the improvement even in the first few days. And, moreover, just as Listerine is the safe antiseptic, so Listerine Tooth Paste is the safe dentifrice. It cleans yet it cannot injure the enamel.

What are your teeth saying about you today?

LAKESHORE HIGHLANDS PROPERTIES

The greatest sale of Homesites in history of San Francisco Bay Cities. Biggest values in California today --Prices and Terms Incredibly low. Oakland is on the verge of big things. You hear it everywhere. Those who have invested wisely in the past will reap their profits now. There is this **ONE MORE OPPORTUNITY!** Those who buy what is left of this most desirable property will profit immediately.

*Take note of these vital reasons why
you should secure a lot in the Lakeshore
District before it is too late*

1. It is the center of the greatest building activity in this part of the state.
2. It is already established as the most exclusive of central residence districts for both San Francisco and Oakland.
3. Its natural beauty as a park with the Piedmont Hills behind it and Lake Merritt at its feet means that it will always be the most desired residence property and therefore eventually the highest priced.
4. It is closer in time to the Ferry Building than most of the desirable residence districts of San Francisco.
5. Lots are offered for the last time at the original prices--less than their real value ten years ago.
6. Investing a small amount now means a certain profit. Lakeshore lots will command a big bonus when there are no more to be had.
7. Prices are lower than for any similar property in any city of the same size anywhere in the United States.
8. There will never be another subdivision of property like this. Nature will not produce another Lake Merritt at the heart of Oakland. No other park site is left to be sold for homes.

COME OUT SATURDAY OR SUNDAY

*This may be the one opportunity
of a lifetime for you!*

THE KEY ROUTE TRAINS RUN DIRECT TO THE TRACT—From San Francisco, take Grand Avenue Key Train. From Oakland, take "E" car on Broadway

Last night's boxing show at the Auditorium was a success. The fact that it was a benefit show was not announced in advance as the regular customers are afraid they won't get their regular diet of battles when the proceeds are being donated.

Frank Kendall, promoter of Milwaukee, Ore., was present, and got a big kick out of the show. He is planning several big fights for his open-air arena this summer. Just at present he is managing Tim Callahan and Billy Godeau.

Charlie Martino suffered a fractured chin when Tommy Gardner hit him with a left jab. Charlie Joseph, one of the judges, was indignant following the decision in the Drum-Gray curtain raiser. Charlie wrote "Drum" on his slip but Referee Billy Brackett thought he said "Drum" and Charlie got the berries. Drum got the verdict.

Louie Pierotti and Charlie Joseph acted as judges. Billy Brackett refereed the first two bouts. George Brown the next three, and Bob Shand the last two.

Louis Bernstein had a new song but was even worse than the old one and was discarded after the first contest.

Chief James Drew and Louis Fried Schroeder looked after the peace and none of it was fractured.

Frankie Thomas, who boxed in the second bout, is a main center at the San Francisco shows. He looks like a hitter but he couldn't hurt Jack Griffin.

MODESTO, May 10.—Freddie Bonillas of Modesto added another win to his list last night when he pasted Young Papke of San Francisco in the main attraction in the local boxing show. This is the second victory of Bonillas.

Papery Scott took the measure of Young Dixon in the semi-wind-up event of the show.

In the special event Claire Bronce beat Billy Niel by a wide margin.

George Gibbons packed away the main event honors last night at the Association Club's boxing show. He defeated Pat Lester, a husky young fellow whose name has been taken up by Sam Kelly. Lester showed a willow disposition but lacked the information of the give and take game necessary to make him a winner. With more experience he should go big.

Roy Sutherland lost a close affair to Jake Stahl in a bout filled with action. Other results on the card were:

Jack Kirk drew with Ernie Lundgren; Kid Duchenk outpointed Alex Tashoff; Johnny Tillman drew with Soldier Briggs; Bill Bard drew with Jack Willes; Joe Roche outpointed Mark Judge.

THIRY-MILLER WIN. PORTLAND, Ore., May 10.—Ted Thiry of Portland and Walter Miller of Los Angeles were victors in a double main event wrestling show here last night. Thiry took two out of three falls from Ad Gusterson, while Miller won by a technical fall from Oscar Butler, local middleweight.

Kirkpatrick Wins Honors at Knoxville

KNOXVILLE, Tenn., May 10.—Hugh H. Kirkpatrick, Jr., University of Tennessee, Knoxville, was named the winner of the 25th annual golf tournament, which was held here last night. The champion, however, says he probably will weigh around 190 pounds.

Do You Know?

"Have any big college baseball players made good this year in the major leagues?" J. C. L. "Jackie" Condon, the famous Harvard captain, is perhaps the most prominent college player to make good in the big leagues this year. He was picked by the Boston Braves and critics picked him as the second Eddie Collins.

"What is Jack Dempsey's fighting weight?" S. D. A. "Dempsey has been out of the ring for so long it is hard to say what weight he will make when he defends his title the next time. The champion, however, says he probably will weigh around 190 pounds.

"Why didn't Bill Tilden go to Europe to compete in the British tennis championships?" G. F. "Bill Tilden once said he had won enough glory by being victorious twice in the British championships. When he heard that Bill Johnston, his Davis Cup partner, was going over this year, he said he would accompany him if he had not previously arranged a number of conflicting exhibition games.

"Did the Brooklyn Nationals really offer \$100,000 to the Baltimore club for shortstop Joe Ealey?" J. J. "The Baltimore club announced that the offer had been made. Some doubts were expressed in New York, however, as the Brooklyn owners have been known in the past that it was thought they would never pay big money for a star player.

"Has Australia withdrawn from the Davis cup tennis contests this year?" F. D. "It was announced some time ago that the Australian Association had decided to withdraw from the Davis cup matches this year, but after hearing many protests and regrets the association reconsidered the matter and decided to send a team after the cup.

"Are there to appear in the United States this summer?" D. A. W. "Jimmy Wilde, world's flyweight champion; Eugene Crippl, European featherweight champion; and Georges Carpentier, European heavyweight champion, are scheduled to fight here this summer. Mike McTigue, if he is considered as a European, is also coming over to fight.

BERT COLIMA EASILY DEFEATS BILLY SHADE

HEAVIES ARE READY FOR BIG SHOW IN NEW YORK NEXT SATURDAY

AUSTRALIAN CHAMP GETS BOXING LESSON FROM HOLLYWOOD BOY

Johnny Farr Takes Decision Over Sammy Campagno; Charlie Martino Knocked Out by Tommy Gardner; Ray Pelkey Defeats Al Sommers.

By BOB SHAND.
Had the Hon Mons Come been assigned the job of covering last night's battles at the Auditorium he probably would have chirped something about "Every Day in Every Way Billy Shade is Getting Licked Worse and Worse." Last night the holder of an assorted lot of Australian titles essayed to knock Bert Colima, of Los Angeles for a job lot of bungalows but instead of accomplishing this little thing Mr. Shade received a boxing lesson, free, gratis and also for nothing and today his features are considerably mussed, his reputation seriously dented and his respect for the little four-rounders much increased. In the four rounds the boys boxed, Shade was on the receiving end and he was so awkward that even little Colima had to grin.

Billy is a nice boy and good to his friends and everything, but he belongs in Australia, where the Tom Kinks and Jim Trovies are champions. These little four-rounders are altogether too slow for the Concord boy and Billy doesn't seem to be able to do any boxing for himself. Since he came back to the coast he has boxed a pair of draws with the slow-moving Jack Reeves, lost a pair to Colima and dropped one decision to Racehorse Roberts. He is leaving for Portland to box Frank Palmer and the fans who really like Billy, hope he does better away from home.

There was nothing to this main event but Colima, Bert, wrestled in and out of his mind with a left hook that landed and occasionally throwing a right-hand glove to the stomach. When Shade tried to crowd him the southern boxer backed and forth, making Billy miss and as he moved along the ropes he would crack his opponent on the chin. Shade seemed unable to get away from that left hook. There were no knockdowns but Colima cracked his man with the right in the second and looked like a finisher. Shade was hurt, but Billy was not.

Johnny Farr Takes Decision Over Sammy Campagno

A week ago Sammy Campagno took a close decision over Johnny Farr but Johny reversed the verdict last night winning by quite a margin. In the third round Johny unhooked a snappy right that caught Sammy going away and down went the little chicken picker. He was up without a count but it was a clean knock-down just the same. The kids staged one of the best battles of the night and they can come back for a third meeting any time they have nothing else to do.

This Ray Pelkey boy has no respect for man's pork chop or postscript. Ray was matched with Al Sommers last night and what he didn't go to poor Al's party is not worth relating. Ray kept hitting the left hand and the right hand, the Sommers gally turned red. Al was game and took everything without flinching but he never had a chance to get any part of the decision.

Tommy Gardner, who hit hard with both hands, used both of them on Charlie Martino and knocked out his man with a left hook two minutes after the opening gong sounded. Gardner and his wallop will be more in evidence in the future as the fans love a sucker.

Frankie Malone Is Beaten by Rivers

Jimmy Rivers did better last night than he did a week ago. He outpointed Frankie Malone after opening a big gash over the Watts Tract boy's left eye in the second round. The cut bothered Frankie almost as much as it did Mike McDough, who was in his corner. Frankie Thomas, who looks husky enough to knock over a building, won the decision over Jack Griffin. Ernie Drum took the honors from Bobby Gray in the curtain puller.

Washington Huskies To Tackle Pullman

SEATTLE, Wash., May 10.—Coach Hec Edmundson of the University of Washington track team is to leave here tonight with sixteen men for the Huskies' first dual meet of the season, which will be at the University of Washington.

Mrs. Robert Roos Is in Semi-Finals

PASADENA, Cal., May 10.—Miss Doreen Kavanagh, of the Los Angeles Country Club, California, woman golf champion, and Mrs. Robert Roos, of the Beresford Country Club of San Francisco, Northern California titleholder, were to meet today in one of the semi-final matches of the Southern California women's championship tournament at the Pasadena Golf Club.

Mrs. Luther Kennett, of San Diego and Mrs. J. R. Engle of Los Angeles, were to tee off in the other semi-final.

Boston Wins-Loses

BOSTON, May 10.—Boston University won from Harvard and lost to the Army in telegraphic pistol shots, the results of which were cupped yesterday. In the Harvard shot the score was Boston University, 100; Harvard, 100. The West Point team took 204 points to 199 by Boston University.

Seeks British Open Championship

GENE SARAZEN, American open champion, seeks to add new honors to his long list and is at present in England awaiting the British open championships. Sarazen is in company with the team of American golfers playing at Deal at present but will go to Troon, Scotland, for the golfing event that draws the pick of the world's talent shortly.

Hagen Makes Last Trip to English Links

Can Make More Money in Exhibition in United States.

NEW YORK, May 10.—Regardless of what he does in the coming British open championships, Walter Hagen, winner of the 1922 championship and the first home-born American golfer to win the British classic, is not going back to England after this year.

Hagen thinks he reached the goal of all golfers when he won the British title, and he believes he is paying off any debt of gratitude that might be incumbent upon him by going back this year and defending his title.

Bill Tilden did the same thing when he won the first tennis championship twice and, like the king of the courts, the big monarch of golf thinks there isn't enough glory attached to grabbing the title more than twice to recompense him for his time.

Nearly everyone expects Walter to repeat his last year's victory, because he stands out now as one of the greatest players of a decade and the opposition he will be compelled to face this year may not be nearly so strong as last year's.

HOUSTON GETS MUELLER

PHILADELPHIA, Pa., May 10.—The St. Louis Nationals last night announced the optional release of Clarence Mueller, an outfielder, to the Houston club of the Texas League. Mueller is a native of St. Louis and had been with the Cardinals three years.

Johnson to Show Up Fast Against Jess

Floyd Has Developed Footwork That Should Dazzle Big Willard.

NEW YORK, May 10.—Speed will be Floyd Johnson's answer Saturday to Jess Willard's bulk and hitting power when the pair clash in a 15-round match on the main card program at the Yankee stadium. Johnson's training program has been largely devoted to developing foot work.

The young wrestler gained his present place in the heavyweight spotlight chiefly by his defeat of the veteran Jack Johnson in the previous round of the program.

Four rounds of the program followed. The first round, Joe McHugh of Newark, N. J., vs. Harry Drake of England; six rounds, Jim Herman of Omaha, Neb., vs. Al Roth of Newark, N. J.; ten rounds, Fred Johnson of Milwaukee, vs. Jack Johnson of Chicago; and 14 rounds, Louis Firpo of Argentina vs. Jack McHugh of Chicago.

Johnson, who is a former champion, vs. Floyd Johnson of Iowa.

Best Heavies Ready to Put On Their Acts

Willard, Fulton, McLaughlin, Firpo All Said to Be in Top Condition.

By DAVID J. WALSH, (International News Service Sports Editor).
NEW YORK, May 10.—Trained to the split second, Jess Willard, the man who came back, and Luis Albert Firpo, South American man-eater, will conceivably have their camp activities today with light workouts calculated to bring them to the main event at the Yankee stadium on Saturday as they conditioned as mere human beings can be.

Willard, all agree, was never in finer condition than he is at the present, not at least since he disposed of Jack Johnson and fell heir to the heavyweight title back in 1914. He has trained for upwards of six months for his meeting with Floyd Johnson, marking his comeback with the Toledo disaster. He is ready.

Johnson is just a bit short of Willard's physical condition, but youth, the great lever, is with him. He will box as many as nine rounds today to make up for his week-end layoff of the last 24 hours, occasioned by a slight abrasion over one of his eyes. A headgear will be used to protect the cut from further annoyance.

Johnson has not concentrated on this bout as has Willard. He has been boxing for weeks, rather than months, but youth, with its speed and vitality, needs no such preparation and can come away in a few steps fifteen rounds at top speed. Incidentally he will carry much momentum with him, for the referee has favored him in the past. A surprising shift, even money probably will prevail when the men enter the ring.

Frank Mellus Takes Lead in Trapshooting

DELAWARE, May 10.—Frank H. Mellus of Los Angeles took the lead in the California Indians' trapshooting tournament here yesterday by breaking 98 targets out of a possible 100. L. S. Hawley of San Francisco was second, followed by W. L. Wilson of Modesto, W. C. Lindeman of San Francisco and Jack Bare of Los Angeles.

Class A—W. L. Wilson of San Francisco, first, and W. J. Elliott of Fresno, second.

Class B—T. J. Wilson of Modesto, first, and Charles W. Perry of Visalia, second.

Class C—Frank Mellus of Los Angeles, first, and H. J. Dwyer of Concord, second.

Class D—W. L. Wilson of Modesto, first, and Tony Kalkit of Highland, second.

Bo McMillan Wins In Kentucky Derby

LOUISVILLE, Ky., May 10.—Bo McMillan, carrying the colors of T. J. Pendergast, of Kansas City, demonstrated his Kentucky Derby qualities by breaking 98 targets out of a possible 100. L. S. Hawley of San Francisco was second, followed by W. L. Wilson of Modesto, W. C. Lindeman of San Francisco and Jack Bare of Los Angeles.

A half length back of the winner, Anna J. McMillan took second place, while three lengths in the rear, Benjamin Brock's Aspirin finished third. Chittling finished fourth and Everhart was last.

The winner negotiated the distance in 1:55 4-5 over a very heavy track.

U. C. Team to Enter In Philadelphia Meet

BERKELEY, Calif., May 10.—The University of California team, which will leave here May 15 for Philadelphia where they will compete in the Intercollegiate Association of Amateur Athletes of America annual meet on May 26, according to an announcement today by Coach Walter Christ.

Coach Christ announced he will take only two track men east, Stubby and Becker. California will join the host of winning its third annual, outdoor meet.

HARRY WOLVERTON, manager of the Seattle Indians, will be the honored guest tonight at a banquet to be given under the auspices of the California Council No. 810 Knights of Columbus, in San Francisco.

Word From Prexy Changes Viewpoint

LOS ANGELES, May 10.—Major Mark Krug of the Los Angeles club of the Pacific Coast Baseball League, recently out of the game because of a broken finger, had planned to put himself in the lineup for today's contest here with Portland but changed his plans upon receipt of word that he had been suspended for five days and fined \$50 by William H. McCarthy, president of the league, because of an argument Krug had with Empire Carroll at San Francisco last Sunday.

HIGH SCHOOL ATHLETICS

By MARTIN ROTKE.

Fighting for third place in the baseball standings of the Oakland Athletic League, the high school of Oakland and Fremont will meet tomorrow at Bay View park for the second time this season. Last time the two teams crossed bats, a large crowd was present to see the Blue and White turned out by a tally of 6 to 5. The fray turned out to be one of the closest played this season, and was practically undecided until the last man was out. Giesler, Oakland catcher, was tossed out at the plate, trying to score from second on a single to right field, for the final out of the fray.

Roy Miller, captain, pitcher, and heavy hitter of the Seaside squad, will oppose the Acoras, while Coach Daugherty's selection rests between Davis, Hughes and Lewin, with the former as the most likely looking choice.

The second game of the afternoon between Fremont and University will be staged at Bay View. It will simply be a case of a cellar team trying to do its utmost to defeat a first place squad, with the odds greatly against the former. University, the basement outfit, will stand a great deal on the chucking of either Lewin or Seidman, while Feeley is slated to do the honors for the Green and Gold.

Gibbons Will Be Favorite, Says Molumby

Dempsey Establishes Quarters: Tom Gibbons Will Train at Havre.

GREAT FALLS, Mont., May 10.—Construction work on an arena at the University of Montana at Shelby, July 4, between Jack Dempsey, heavyweight titleholder, and Tom Gibbons, St. Paul, Minn., will be completed in twenty days. Mike Collins, who assisted in signing up the bout agreement, announced last night over long-distance telephone, after arriving at Shelby from Chicago.

Loy J. Molumby, State commander of the American Legion, returned to Great Falls last night, after being the principal promoter at Chicago, where the fight articles were signed. Molumby stated that a score or more of special trains already are being arranged for eastern cities, and that from the interest evident in the east, he believed the attendance will exceed that at the Dempsey-Garpan fight in Jersey City two years ago.

Molumby said there was no chance that the contest would fall through.

He made the prediction that he believed Gibbons would be the favorite over Dempsey in the Shelby fight. He based his opinion, he said, on expressions generally made in the east by fight followers.

PROVO, Utah, May 10.—Confidence in his ability to defeat Tom Gibbons of St. Paul in their fight for the heavyweight championship at Shelby, Mont., on July 4, was expressed today by Jack Dempsey, the champion, before he departed for Dempsey City, near here, where he had established temporary training quarters.

Dempsey stated that "the next fight for the title, after the one at Shelby," probably will be held at Dempsey City, the coal camp named after the champion, in the center of the state.

Dempsey expects to spend the next ten days in training at Dempsey City, he said, and then will leave for Shelby, where he will resume his training. The champion was accompanied by City Mayor E. H. McKelrick of New York, a business associate of Dempsey in his coal mine interests.

HAVRE, Mont., May 10.—Tommy Gibbons will establish training quarters in Havre, Sunday, May 20, according to an announcement by Mike Collins here yesterday. Collins and Loy Molumby, State commander of the American Legion, who represented promoters of the Dempsey-Gibbons fight in negotiations that led to the signing of the articles for the fight at Shelby, July 4, arrived here yesterday afternoon, en route to Shelby.

HARRY WOLVERTON, manager of the Seattle Indians, will be the honored guest tonight at a banquet to be given under the auspices of the California Council No. 810 Knights of Columbus, in San Francisco.

Stocks Continue Efforts to Regain Recent Losses

BUSINESS and FINANCE

By H. S. SCOTT.

While no official explanation is available for the recent decline in sterling rates, which are now 12 cents below the top price of the year, Wall Street generally is of the opinion that the reaction is due to the purchase of dollar credits by the British government in preparation for the next loan payment of its war debt. Under the terms of the debt agreement the British government is permitted to tender treasury bonds at their par value in payment of principal and interest, and it is believed to have bought a large quantity of bonds for that purpose. These purchases have not been reflected, however, in the quoted prices, which have been influenced primarily by the terms of the latest issue of U. S. treasury notes carrying 4 1/2 per cent interest.

Prices made further recovery from recent heaviness at the opening of today's New York stock market. A point led the early advance with a gain of 2 1/2 points. Investments again were in good demand, Baldwin gaining a point in the first few minutes of trading. Reports of a further reduction in the surplus supply of copper metal brought about a better demand for those shares. The rally continued to respond to reports of record car-loadings for this season of the year. There were a few isolated heavy spots, but the losses were limited to fractions.

Dismissal of the government suit against the New York Coffee and Sugar Exchange was largely responsible for the strength of the late afternoon rally. The suit, which was filed by the United States government against the exchange, was dismissed by the federal court in New York. The exchange, which is a voluntary association of coffee and sugar dealers, had been sued for alleged manipulation of the market.

The Peirce Company announcement is patterned after a booklet recently issued by the United States treasury department entitled "How Other People Get Ahead." ANOTHER EASTBAY BEAUTY SPOT
—You don't have to travel far afield to come into contact with nature in all her freshness and beauty. This photo, taken in Berkeley presents a combination of nature's beauties combined with the evidences of the work of man.

INSTALLATION OF WILSON FOUNDATION BOARD—The fifteen permanent trustees of the Woodrow Wilson Foundation were installed during a meeting held at the Biltmore Hotel, New York City, and the \$750,000 already raised for the million-dollar fund was handed over by the National committee. The portion of the board here shown consists of the following trustees: Left to right—Mrs. Chas. L. Tiffany; Hamilton Holt; Miss Mary E. Woolley; President Ernest H. Hopkins; Franklin D. Roosevelt; Mrs. Chas. M. Simmons; Henry Morgenthau.

BURBANK GOLDEN JUBILEE CELEBRANTS. Left to right: Mrs. C. A. Bingham, Mrs. Pride, Miss Lou Karnes and Mrs. Earl Showers, who will participate in the pageant to be given in Santa Rosa, May 17 to 20 in connection with the Burbank Golden Jubilee of those dates.

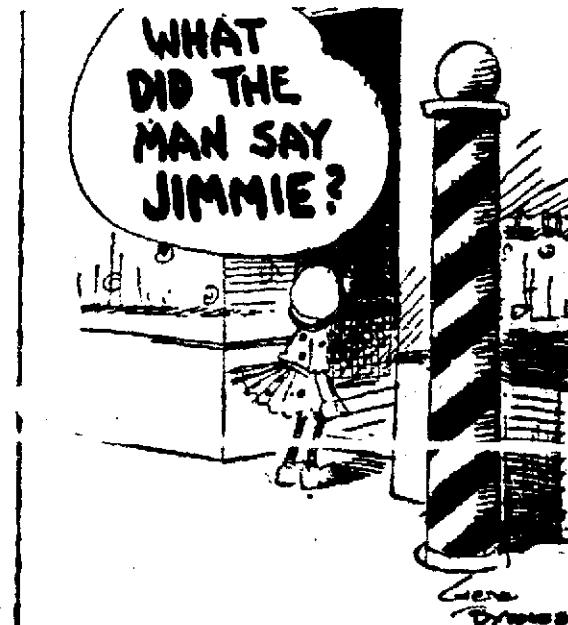

"QUICK WATSON, THE KNITTING NEEDLE!"—That's what the young woman here shown tells her maid when she rips this knitted sport costume *de luxe* while hurdling a barbed wire fence. This outfit is of gray wool, with full skirt and loose blouse. A design of black and white trims blouse, sleeves and bottom of skirt.

TO WHOM IT MAY CONCERN:
I take this method of expressing my sentiments of appreciation to Dr. Wong Him for the wonderful cures he has effected in cases where members of my family, including myself, were afflicted with various maladies.

I also desire to be the means of guiding anyone who is afflicted with a chronic disease, and who is in need of medical advice, as he will find Dr. Wong Him to be a thoroughly reliable health specialist and absolutely trustworthy.

My family has been cured by a member of my family, with the greatest of ease, and I am now well after consultation, unless Dr. Wong Him is convinced that his herbs will effect a complete cure, he will under no circumstances accept the case.

Very truly yours,

The Foreman & Clark Guarantee: as much a part of every garment as tho we wove it into the fabric!

We guarantee every Foreman & Clark suit or topcoat. We guarantee the fabric, the fit, the finish, the wear. We guarantee the price, the value, the standard, the saving. We guarantee the style, the pattern, the model, the tailoring. There is nothing about these clothes that we do not guarantee. Foreman & Clark build them. Foreman & Clark sell them. Therefore, Foreman & Clark guarantee them. We know what is in each suit because our own cutters shear it in, our own tailors sew it in, and our own label seals it in. We can afford to give you the broadest guarantee of satisfaction in the clothing world because we build the greatest suit of clothes in America. This guarantee is not a word-of-mouth promise, but a written, signed statement bearing the personal signature

of Foreman & Clark. You can take it into your hands and know that you've got it. It has no time limit or any other limit. It is good anywhere, at any time. Buy your suit in Oakland and you'll find our Chicago store, or any other of our upstairs stores from coast-to-coast, glad to stand behind it six weeks after you buy, six months after you buy, or any other time. Foreman & Clark recognize only two parties in any transaction because there are only two—you and ourselves. No middleman, no traveling salesman, no jobber, no other party to shift responsibility onto. We put the quality in the clothes—we put the price ON the clothes—we put the guarantee behind the clothes—and we stand responsible to YOU as the largest makers-and-retailers of men's clothing in the world.

To fit the inside pocket of each suit or topcoat in our stocks, this Foreman & Clark guarantee is printed on a narrow size of paper—yet it is the broadest guarantee of satisfaction in the clothing world. To tell you the story quickly and simply—we have made it very short—yet it is the longest guarantee ever put behind a suit or topcoat. You can never reach the end of it. Read what we mean by these statements in the story at the left.

Trade Upstairs and Save \$10.

Only in Foreman & Clark factories (manned by Foreman & Clark tailors, producing clothes exclusively for Foreman & Clark upstairs stores from coast-to-coast)—are such features as these built into a suit of clothes at \$25, \$30, and \$35!

A—Pliable Belgian canvas coat body, instead of stiff cotton canvas

B—Genuine silver Hymo instead of loosely woven haircloth.

C—One-eighth inch lock-stitch lapel, three fine rows of parallel threads, instead of one or two.

D—Hand shaped, hand-felled, one-piece collar.

E—Inverted V-curve coat skeleton, supporting lower area of skirt, as human muscles support the body. Counterbrace No. 1 resists in and down strain. Counterbrace No. 2 resists in and down pull. Counterbrace No. 3 resists diagonal or spiral twist.

F—Duo-stitched, triple-braced pocket-flap, double strength against sagging and tearing.

G—Combination edge and skirt age stay stops.

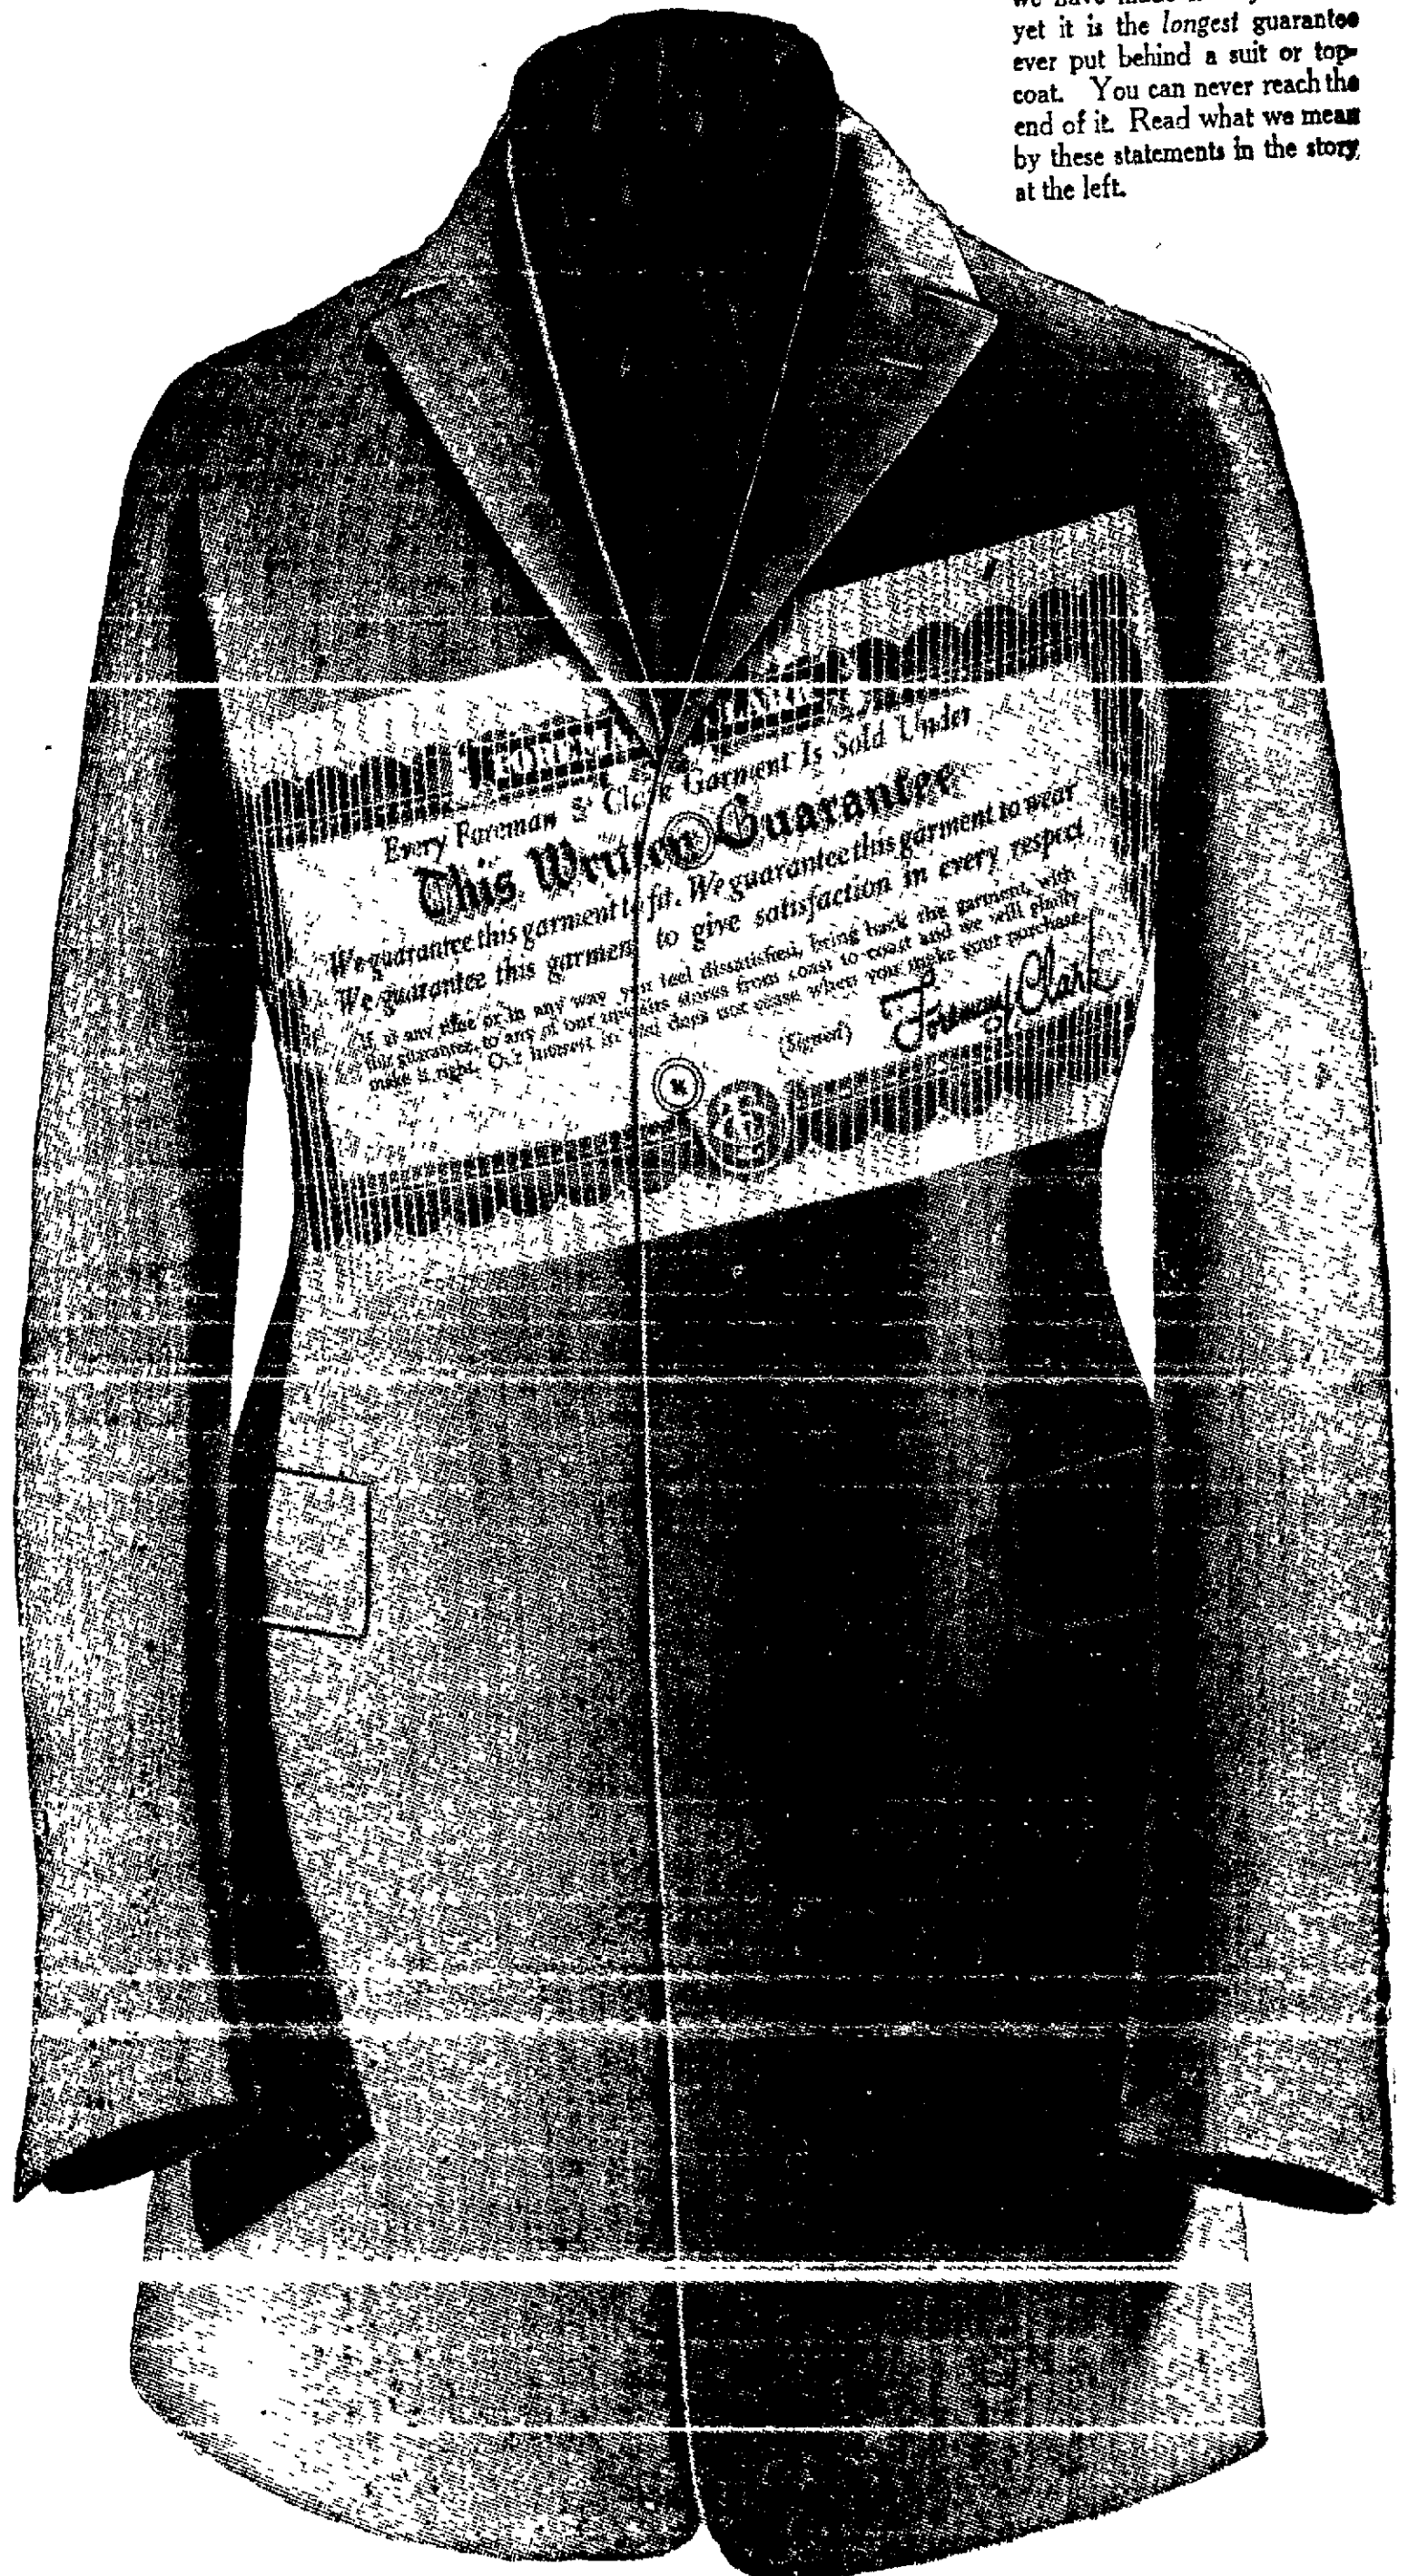

These mills—foremost in the textile industry of New England—supply the virgin wools for your Foreman & Clark clothes!
